

1168 Russells Mills Road Royal Smith House

This modified cape was built circa 1820 by Royal Smith (1800-1890), with a rear addition added in the 1900s. An unusual Victorian cross-gabled barn is located to the rear. This property was a chicken farm in the early 1900s. An early cemetery with unmarked stones is located on the rear portion of the property.
