To Dartmouth Monthly Meeting.
Dear Friends.

It is with a feeling of gratitude to our Heavenly Father for his assistance and the blessing bestowed upon us that we present our annual report. The spiritual condition of our membership on the whole is encouraging and we are hoping and praying that the attendance will be increased by our young people. Special Meetings have been held at Allen's Neck with good results, and the study of the "Life of Christ" has been taken by a class at Smith's Neck with great interest. There is a need of greater faithfulness on the part of some in the practice of regular family devotion and Scripture reading. In our Bible Schools and Christian Endeavor work the interest is increasing, and this is very encouraging, for from these branches will come forth our future church.

Respectfully Submitted

With three exceptions all our meetings have been regularly held. A good degree of Christian unity and Fellowship is manifest. With few exceptions our members maintain a creditable Christian character in their business relations and temporal affairs and many are in the practice of family worship. Through the Bible School and Christian Endeavor the children and young people are studying the Bible and endeavoring to practice its precepts and these lines of work have been a means of much blessing to all. Scarcely all our members are clear of the use of intoxicating liquors and consistently manifest the principles of peace. We fear our position in regard to judicial oaths is not understood or practiced. The education of children is not neglected and the poor are cared for. and we believe a great deepening in spiritual interest and that the members are drawn more closely together in the bonds of Christian fellowship since our last report - Most Friends are faithful in maintaining family devotion. There is a deep interest on the part of our young people in the Bible School and Christian Endeavor work and we are glad to report that they not only take part in these but are also punctual in attendance at our first day morning meetings and many give evidence by their testimonies of having been born into the Kingdom of God and glorify Jesus Christ

Nearly all our members are free from the use of intoxicating liquors, but not all so much interested as we would desire in furthering the cause of total abstinence - We fear some of our members are neglectful in regard to judicial oaths -
