MEMORIAL TO JOHN A. CORNELL.

On June 22nd, 1942, John A. Cornell of Dartmouth, Mass., passed away at the age of 73. The son of Philip A. and Abbie Cornell, he could trace his ancestry through nine generations of Dartmouth Friends and, throughout his life, he exemplified the tradition of this worthy heritage. Born in the 90 year-old house in which he died, he was educated in the local school and at Friends' School (now Moses Brown) in Providence, R. I. He served his town in many offices and was Selectman for thirteen years. In recent years, as Distributor of Surplus Commodities, he endeared himself to the old and lonely citizens whom he served.

Though his civic responsibilities took a major part of his time, he yet rendered conscientious devotion to the Society of Friends. At the time of his death he was Elder, Overseer, Trustee and Clerk of the Meeting on Ministry and Oversight in Dartmouth Monthly Meeting and had held the office of Treasurer for thirty-five years. His experience and sound judgement were recognized by his long membership on the Permanent Board of the Yearly Meeting of Friends for New England. His presence and influence will be greatly missed in Sandwich Quarterly Meeting as well as in Dartmouth Monthly Meeting and his own Meeting at Smith's Neck.

Civilian Public Service committee reports \$53.20 contributed for the support of the camps. At this time we are pleased to have the company of William Coughton, Pastor of South Primitive Methodist Church, New Bedford who has told us in a very interesting way about his missionary work, the country and natives of Guatemala. Missionaries have been there for 50 years and there are 3000 Christian natives. Several denominations have mission stations there. He spoke very highly of the Friends, whose work and stations are on the coast in the malaria district. His main thought was to get right down to the people in order to reach and help them, which is just as true for us. At the conclusion of
