Said Testimony is as followeth -
 Humphrey Russell (son of Tho.) hath had a Birthright with us the people called Quakers, but for want of that he hath deviated from our known principles as to join himself with the Militia as an actor in the Military or warlike exercise, also walks wide both in Dress & address from that simple plainness which we profess to believe the Truth leads into for all which he hath been laboured with by us, as a people, but our labours of love have not had the desired effect, therefore for the maintenance of our peaceful profession, and clearing of us as a Society we do deny Unity with such conduct and can no longer own him (the S. Humphrey) a member with us
 until

until he returns to the way of Truth, and Satisfaction of his friends, which that he may, is our Desire
