At our yearly meeting of friends for
New England held on Rhode Island in the 6th
month 1828. The following minutes with
the concurrence of the women's meeting were desired
to be forwarded to our several Quarterly and month-
ly meetings. This meeting having been introduced
into a weighty consideration of the relation in which
we stand towards friends of some of the other Year-
ly meetings on this continent in which difficulties
have lamentably prevailed, till separation has
been the result, we have deemed it our indispens-
able duty to meet the exigencies of the occasion
by manifesting our unity with those meetings
which have continued steadfast in their adherence
to the ancient order, discipline and faith of the
Society and our disunity with those that have
seceded therefrom and it is therefore our con-
clusion that no removal or other Certificate be
received from or transmitted to such meetings
as are known to have seceded from the ancient
foundation of the Society. And Friends are cau-
tioned against opening our meeting houses to
any who have identified themselves with the
body thus seceding, and all our meetings are
advised not to attend meetings that may be ap-

And should cases occur in which any of our meetings find it difficult to decide they are requested to apply to the meeting for Sufferings for its advice and said meeting is desired to give its attention to the subject, and render all the assistance herein from time to time that it may be qualified to afford from the minutes of said meeting.

Extract from the minutes of the 3rd early meeting of friends held in Philadelphia by adjournment from the 21st to the 23rd inclusive of the year 1828 accompanying their Circular of that date

an considering the difficulty and embarrassment in which meetings may be involved for want of knowing whether Certificates which may be produced to them are issued by meetings in unity with us, several friends are appointed on each of our 2^o meetings as correspondents one or more of whom are to sign (in addition to the usual mode of signing) all certificates of removal and all other Certificates or minutes given forth for Friends, and it is requested in order that certificates may duly reach the meetings to which they are directed that they be addressed or sent to one of those Friends. At a monthly meeting of Friends
held at Dartmouth 22^d of 9th mo. 1829. an
accounts being received from each of the
preparative meetings. The representatives

At our Yearly Meeting of Friends for New England, held on Rhode Island, from the
14th to the 18th inclusive, of the 6th month, 1829.

The Committee on the state of Society, to which was referred Minutes of the Yearly Meetings of
London, New-York, Baltimore, Ohio, and Indiana, received at this time, have given attention to the subject,
and considered it in connection with the relation in which we stand towards the other Yearly Meetings of
Friends in this country, and propose the adoption of the following Minutes, which being read and consid-
ered, are united with, and copies thereof directed to be forwarded to our several Quarterly and Monthly
Meetings; and also to be transmitted to the several Yearly Meetings with which we correspond.

THIS Meeting having last year been introduced into much exercise, on account of
the difficulties which had then been manifested in our religious Society, in various
sections of this country, and which had prevailed till separation had been the sorrowful
result, deemed it an indispensable duty to meet the exigencies of the occasion, by de-
claring our unity with those Meetings that had continued steadfast in their adherence
to the ancient order, discipline, and faith of the Society, and our disunity with those
who had receded therefrom.

We feel it to be our duty, again to advert to this painful subject, and to state to our
subordinate Meetings, that not only within the limits of the Yearly Meetings of Penn-
sylvania and New-York, (to which reference was had in our minute of last year,) but
also within those of Baltimore, Ohio and Indiana, separate bodies exist, under the name
of Yearly Meetings of Friends, with Quarterly, Monthly, and other Meetings in con-
nection with them, which are not in fellowship with us as a religious community.

In consequence of the embarrassments and mistakes to which Friends are exposed
by the separatists thus continuing to take the name and character of Friends, the Yearly
Meetings of New-York, Ohio, and Indiana, in acknowledged unity with us, have been
induced to furnish the names of Correspondents appointed by them in their several
Quarterly Meetings, one or more of whom is to sign, (in addition to the usual mode of
signing,) all removal or other certificates or documents, issued, which are to go beyond
the limits of their respective Quarterly Meetings.—And in order that certificates may
duly reach the meetings to which they are directed, it is recommended by them, that
they be forwarded to one of those Friends.

BALTIMORE YEARLY MEETING has directed, that to the names of all
the Meetings of every description, within the compass of their Yearly Meeting, the fol-
lowing words be added: "In unity with the ancient Yearly Meetings of Friends;" and
have appointed ISAAC BROOKS, JAMES GILLINGHAM, and NICHOLAS POPPLEIN, residing in
the city of Baltimore, a Committee, one of whom is to sign, in addition to the usual
signature of the Clerk, all Minutes or Certificates issued by Monthly or Quarterly
Meetings for any of their Ministers or Members.

The following Minute of the Yearly Meeting of London, held in the 5th month, 1828, accompanied its Epistle to this Meeting:

"This Meeting has directed that all Certificates of removals, issued by our Monthly Meetings to Friends on the continent of America, be forwarded by the Meeting which issues them, to their correspondents in London, in order to their being by them transmitted to America; and this Meeting suggests, to the several Yearly Meetings of Friends in America, the propriety of their directing that certificates, on behalf of Friends removing to within the compass of this Yearly Meeting, be forwarded to the care of the correspondents in or near London, who are appointed by this Meeting for the respective Yearly Meetings on the American continent."

And it is our conclusion, that all Certificates and other documents issued by our subordinate Meetings, and addressed to the Meetings of Friends in Great Britain and Ireland, be transmitted by the Meetings issuing them, to one of the correspondents of this Yearly Meeting, (who are MOSES BROWN, WILLIAM ALMY, ABRAHAM SHEARMAN, JR. and STEPHEN GOULD,) to be forwarded by them to the correspondents of the Yearly Meetings of London and Ireland.

At our Yearly Meeting of Friends for New England, held on Rhode Island,
from the 13th to the 18th, inclusive, of the sixth month, 1830.

The following Report of the Boarding School Committee was received and read, and being
satisfactory to this Meeting, copies thereof were directed to be forwarded to our several Quarterly
and Monthly Meetings.

TO THE YEARLY MEETING.

THE BOARDING SCHOOL COMMITTEE REPORT, That they have during the past year, endeavoured to
promote the objects confided to their care by the Yearly Meeting, in the superintendence of the Institu-
tion; and are thankful in being able to state, that its various concerns have been conducted in a good
degree in accordance with the design of Friends in its establishment. Meetings for worship have
been regularly kept up; and the family preserved in harmony.

The School is continued under the immediate charge of Enoch and Lydia Breed, as Superintend-
ents, in which they have the assistance of Stephen and Hannah Gould.—Benjamin B. Hussey,
Moses Mitchell, Joseph Hoag, Deborah Ramsdell, Lydia B. Allen, and Sarah Fry, have been employed
as Teachers, during most of the past year, with the exception of Benjamin B. Hussey, whose state of
health was such in the autumn, as to render it necessary for him to retire from the School. During his
absence Joseph Healey was employed as an associate Teacher. Benjamin B. Hussey is again about to
resume the discharge of his former duties; and Moses A. Cartland has been recently engaged as an
Assistant in the Boys' department, and Phebe Burgess in the Girls'.

The average number of scholars, during the year, has been one hundred and twenty-seven.

The accounts of the Treasurer of the School Fund, and of the Superintendent, have been received,
and audited, and the state of the Fund continues to be such, as to induce the Committee to propose
that Children who are members of this Yearly Meeting, continue to be admitted at twelve and a half
dollars per quarter, and that the privilege of sending Children, free of expense, be continued, as last year.

The Committee being clearly of the opinion, that Children would receive much greater benefit by
being sent to the School for a term of time not less than six months, Friends and Monthly Meetings are
therefore advised not to send them for a shorter space of time, when it can be conveniently avoided.

Friends are also advised not to send Boys over the age of fourteen years to the School, until they
have first obtained the approbation of the School Committee, which meets at Providence the third day
after the last fifth day in each month.

On behalf of the Committee,

MOSES BROWN.
MARY B. ALLEN.

Providence, 5 mo. 7, 1830.

At the Yearly Meeting aforesaid,

An Essay, entitled "The Testimony of the Society of Friends on the American Continent," pre-
pared by the General Committee, composed of Committees from all the Yearly Meetings in America,
(which convened in Philadelphia, in the 7th month last), was read before our Meeting of Men and
Women Friends, collectively assembled, and being deliberately considered, was cordially, unitedly, and
fully approved, as embracing a concise declaration of the doctrines and testimonies which have always
been held by our Society. This Document having now been approved by all the Yearly Meetings of
Friends in this country, the Clerk was directed to add to this minute, in the extracts to be sent down,
that the necessary arrangements have been made for printing it, and that the several Quarterly Meetings
will be supplied, by the Meeting for Sufferings, with a sufficient number of copies to furnish one to each
family of Friends within their respective limits.

The subject of marrying in the kindred by Affinity, having been brought under the view of this
Meeting, received its solid and deliberate consideration; and it is concluded that the construction of our
Yearly Meeting, as particularly defined in the year 1773, [namely, That our members be not allowed to
marry a deceased wife's sister, or a deceased husband's brother,] shall hereafter be considered as the
construction to be given to our present Discipline.

The Clerk is directed to forward copies of this Minute to our several Quarterly and Monthly Meetings, to be inserted in the Books of Discipline in their possession.

Wm. Shearman, Jr. Clerk

At our Yearly Meeting of Friends for New England, held in the sixth mo. 1830.

DURING the consideration of the state of the Society, as presented by the Answers to the Queries, much pertinent and feeling counsel and advice was freely offered. We were impressively reminded, that love to God is the foundation of love to the brethren, and that where this love pervades the mind, there will be no neglect of the important duty of assembling ourselves together for the purpose of worshipping Him, from whom are all our blessings, and who calls for this, as a reasonable service at our hands; and that dwelling in this love, we should be favoured to witness preservation from that estrangement of feeling towards our brethren, which once finding a place in the human mind, and being there cherished, has led, step by step, to the most awful and desolating consequences. We were at the same time, emphatically reminded of the more subtle transformations of the enemy of all good, in his appearances as an angel of light, and faithfully admonished of impending danger to those who should listen to his artful insinuations; from which increased watchfulness, humility, and dedication, could alone preserve us.—The subject of plainness of apparel and deportment was feelingly adverted to, as not only consistent with our profession, and right in itself, but as a means of preservation from unprofitable associations, leading the mind from the simplicity of the Truth into the spirit and maxims of the world, and the contaminating influences of fashionable life. It was adverted to, as manifesting in the Youth, not only an evidence of the care, on the one hand, of a Parent, concerned to promote the best interests of his beloved Children, and on the other, of youthful obedience and regard to the feelings of such a parent; but, as manifesting, in many instances, the operation of Divine grace on the heart, leading to its adoption from principle. Parents were fervently entreated not to relax in the exercise of a watchful care, in this and other respects, but to seek for that qualification which will increasingly enable them to take the children by the hand, and in the impressive language of example as well as precept, call upon them, to follow them as they are endeavouring to follow Christ; that thus they may grow up as tender plants; and that instead of the fathers, there may be the sons, rightly qualified to take their places, in a faithful discharge of the important duties that must ere long devolve upon them.—The advantages of an early and of a continued acquaintance with the Holy Scriptures, by a frequent and attentive perusal of them, was feelingly dwelt upon.—We were also forcibly reminded of the importance of a faithful maintenance of our testimony in regard to the use of spirituous liquors, particularly at a time when the public mind is becoming so fully convinced on this subject—and of bearing a faithful testimony to our belief in the peaceable nature of the Redeemer's kingdom, and against the spirit of war. On the latter subject, a feeling appeal was made to our members in the younger walks of life, to evince their gratitude for the favours which are extended to them in an exemption from the burthen of military services, by great circumspection in giving no just occasion to any, to call in question the sincerity of their profession, by being present as spectators at military parades, or otherwise; but that in all their conduct, they may shew to others, that they are indeed "conscientiously scrupulous of bearing arms," and thus become qualified to advance the cause of Peace and Truth in the earth.—Which being in unison with the concern of this Meeting, the Clerk was directed to forward transcripts of this Minute to our several Quarterly Meetings.

We are informed by NEW-YORK YEARLY MEETING, that the following Friends are appointed Correspondents, for the purpose of authenticating Certificates, in the place of Friends deceased, viz:

James Birdsell, of Marlborough Mo. Meeting, Cornwall Quarterly Meeting—address, Newburgh, Orange Co. N. Y.

By BALTIMORE YEARLY MEETING,—that it has appointed,

as Correspondents, in addition to those appointed last year; one of whom is to sign, in addition to the usual signatures of the Clerks, all minutes and certificates issued by their Monthly or Quarterly Meetings for members or ministers of our religious society.

Our Quarterly Meetings are requested, in future, to acknowledge in their accounts to the Yearly Meeting, the receipt, and disposition made, of minutes and papers transmitted to them by its direction.

It was concluded to raise eight hundred dollars for the service of the ensuing year, and the several Quarterly Meetings were requested to forward their respective proportions of that sum to our Treasurer.

At a Yearly Meeting of Friends for New-England, held on Rhode-Island, from the 12th to the 17th, inclusive, of the sixth month, 1831.

The following Report of the Boarding School Committee was received and read, and being considered, was satisfactory to this Meeting, and the Clerk was directed to forward copies thereof to our several Quarterly and Monthly Meetings.

TO THE YEARLY MEETING.

The Boarding School Committee report, That they have during the past year, endeavored to promote the objects of their appointment in a general superintendence of the Institution, and think they may inform, that its various concerns have been conducted in accordance with the intention of Friends in its establishment. Meetings for worship have been regularly kept up, and the family preserved in harmony.

The School is continued under the immediate care of Enoch and Lydia Breed, as Superintendents, with the assistance of Stephen and Hannah Gould. Moses A. Cartland, Jeremiah Hacker, and Piny Earl, jun. are at present employed as Teachers in the Boy's School, and Deborah Ramsdell, Sarah Fry, and Dorcas Fry, in the Girls'. Benjamin B. Hussey, Lydia B. Allen, and Phebe Burgess, have also been employed during a part of the past year. Arrangements are now made with Caroline Cartland to occupy the place of an associate Teacher, and she is expected to enter upon her duties as such in a few days.

The average number of Scholars during the year has been one hundred and twenty-eight. Their health has been generally good, and their conduct and improvement in their studies have been satisfactory to the Committee.

The accounts of the Treasurer of the School Fund and of the Superintendent have been received and audited, and the state of the fund is such, that the Committee think it safe to propose, that children who are members of this Yearly Meeting continue to be admitted at twelve and a half dollars per quarter, and that the privilege of sending children, free of expense, be continued to Monthly Meetings the same as last year.

The subject of extending the branches of education in the School, which was referred to the Committee by the last Yearly Meeting, claimed their early consideration, and they have proceeded in the erection of an addition to the School House, suitable for the accommodation of Scholars who wish to pursue a more extended course of education. A person to have the charge of these branches of learning has not yet been procured, but the Committee entertain a hope, that one suitably qualified, may soon be engaged.

It still continues to be the earnest desire of the Committee, that Friends who place their children in the School should be careful that they are habited in plain attire, and instructed to conform carefully to the rules and regulations of the Institution.—And they feel the propriety of again reviving the advice contained in their Report, last year, that Friends avoid sending Boys over fourteen years of age to the School, until they have first obtained the approbation of the Committee that meets at Providence on the third day-after the last fifth-day in each month.

Signed on behalf of the Committee,

Moses Brown,
Alice Rathbun.

**At our Yearly Meeting of Friends for New-England, held on Rhode-
Island,--Sixth Month, 1833.**

The Annual Report of the Boarding School Committee was laid before the Meeting, and after a free discussion of its contents, the propositions therein submitted for consideration, were agreed to, and the Report accepted; and the Clerk was directed to forward copies thereof to our several Quarterly and Monthly Meetings.

From the Minutes of said Meeting,
ABRAHAM SHEARMAN, jun. Clerk.

**TO THE YEARLY MEETING,
To be held on Rhode-Island in the Sixth Month next.**

THE BOARDING SCHOOL COMMITTEE REPORT, That they have during the past year, given attention to the various concerns of the Institution, and that they have been conducted, in good degree to their satisfaction. Meetings have been regularly kept up, and harmony has been preserved.

The average number of Scholars during the year, has been one hundred and seventy-two.—The School is continued under the immediate care of Enoch and Lydia Breed, as Superintendents, in which capacity they are assisted by Stephen and Hannah Gould.—Moses A. Cartland, Pliny Earle, Jun. and Jonathan Slocum, are employed as Teachers in the Boys' School; and Deborah Ramsdell, Mary H. Griscom, Caroline Cartland, and Martha Barker, in the Girls'.—The latter of whom, for six months, rendered gratuitous service to the Institution.—Samuel J. Gummere continues to have charge of the department for Languages, &c.

It having long been believed by the Committee, that the School might be improved, and its advantages to the Children greatly enhanced, by having some person employed to superintend its literary concerns, who, by his experience in the business of teaching, and by his acquirements, would be qualified to render advice to the Teachers, to examine the Scholars in their several studies, and to extend an immediate supervisory care over every department of the School.—With this belief, in the 12th month last, our friend John Griscom, from New-York, was introduced into the Institution, and the services he has rendered in the manner above specified, and by lecturing on different subjects, have been satisfactory to us, and we believe have tended in various ways to the essential improvement of the Scholars.

By settling the accounts, it appears that at the present prices for board and tuition, the income will not meet the expenditures of the School.—The Committee, after maturely weighing the subject, have concluded to propose to the Yearly Meeting; that after the first of eighth month next, members of Society, of this Yearly Meeting, be received for fifteen dollars per quarter; that those who are not members of Society, but who have one or both parents members, be received for twenty-two and a half dollars per quarter; and should any who are not thus connected with Friends be received, that the price be thirty dollars per quarter; that to those who are admitted into the School for Languages &c. and that to members of other Yearly Meetings, the price be continued as heretofore;—And that the privilege of sending one child, six months, free of expense, be extended to each Monthly Meeting, as last year. Although by this arrangement, the expense to parents who place their children in this Institution will be a little augmented, still the Committee have confidence in believing that there will be ample remuneration in the increased advantages the School now presents for the improvement of the Scholars.

In the seventh month of last year, in consequence of the appearance of the Cholera in our country, and the effect produced upon the minds of the children by the approach of this fearful malady, it was deemed most prudent, under the advisement of the Meeting for Sufferings, to vacate the School for a season. It was not considered best to re-assemble the scholars until the tenth month, when the School was again opened, and those who had left generally returned.

Although during the past year the visitations of sickness and death have been many in our country, and we have not wholly escaped, yet we feel bound thankfully to commemorate the preservation that has been extended to us by Him, from whom are all our sure mercies.

Signed by direction, and on behalf of the Committee, by
WILLIAM JENKINS, Clerk.

Yearly Meeting of Friends for New-England,---Sixth Month, 1833.

A concern for the more guarded and religious education of the children of Friends, and for the establishment of Libraries of Friends' Books, in the several Monthly Meetings, having been revived in this Meeting, and claimed its consideration, a lively interest was felt in regard to these subjects.

The attention of Friends was earnestly desired to the concern of establishing, in the several Monthly Meetings, one or more Libraries of the standard works of our Society, that Friends may at all times have access thereto, to the end that the consistency, truth and harmony of our Christian principles being known, the minds of Friends may become more and more established in them, and the unity of faith and doctrine which it so much becomes us to inculcate, may more and more abound.

The provisions of our Discipline with respect to Education, and Schools for the children of Friends, were recommended to be revived in our subordinate Meetings, and put in practice, wherever Friends' circumstances will allow.

And the Clerk was directed to forward copies of this Minute to our several Quarterly and Monthly Meetings.

It was recommended, that all Certificates of Removal, issued by our Monthly Meetings, be signed by the Clerks of both the Men's and Women's Meeting.—And that this conclusion be entered in our books of Discipline.—Which the Clerk was directed to forward as above.
