REMARKS.

THE miscellaneous records appertaining to the Plymouth Colony, originally forming part of the contents of several volumes, have been printed collectively, and are comprised in this volume.

The earliest marriages on record in the colony will be found entered among the Court Orders. All the births, marriages, and deaths which were returned for record anterior to the year 1647, with the above-mentioned exception, have been lost by the decay of the first part of the original volume in which they were recorded at Plymouth.

The Treasurers' Accounts commence in 1658 and terminate in 1686, when the government of the colony was usurped by Andros. They are preserved in very good order, in connection with certain miscellaneous records, and are in the handwriting of many different persons.

The lists of freemen, taken at various times, and of those who were able to bear arms in the year 1643, are among the interesting records preserved in this volume.

Complete indexes have been prepared for the printed volume, to take the place of those in the original volumes, which were comparatively useless on account of their want of minuteness.

LISTS OF FREEMEN

AND OTHERS.

PLYMOUTH RECORDS.

LISTS OF THE NAMES OF FREEMEN AND OTHERS TAKEN AT VARIOUS TIMES.

[The following lists contain the names of those who were admitted to the freedom of the colony of New Plymouth, together with those who took the oath of fidelity, and those who were able to bear arms, in the year 1643. Nothing is given to denote what the list on page *44 is intended to represent; but there is internal evidence that it is a list of freemen taken about the year 1658. This portion of the records is contained in the same manuscript volume in which the Conveyances of Lands by the Indians are recorded, and the Treasurer's accounts preserved. Originally they were written in a separate volume of very small dimensions, and by various persons. As persons died or removed from the colony, their names were cancelled in the lists.]
