and so successively every year; until all the Cities  
and Counties have had their nomination. Which  
being finished, the Correspondent Book is to be  
begun Again:— And that the Service of this Committee  
may be as little Burdensome as Possible to the

or against  
whom any  
Appeal comes  
to be named

1733  
This Meeting taking into their serious Consideration  
Some inconveniencies that may attend the Nominating  
Persons to hear and Judge of the fitness or unfitness of  
Appeals brought before this Meeting, do agree, that  
for the time to come no Friends of any County from  
whence or against whom such Appeals may come,

to prevent  
appeals  
coming

1736  
And Dear Friends, in the Spirit of the Gospel,  
Which is Peace on Earth and good will to all men,  
Labour to maintain the Discipline of the Church  
Wherin you will be favoured with wisdom prudent-  
ly to Determine affairs that may come before you;  
And be Instrumental to prevent many troublesome  
Appeals from coming to this Meeting which tend to  
prolong it and give Uncasiness to Friends:  
And we earnestly Desire all Friends who are  
proper Members of the Society, Especially such  
as are Qualified for Service would be Careful to  
attend all Meetings for the Discipline of the Church.

Whereas

1745 Whereas it is Apprehended that the minute  
 Concerning Appeals, made in 1727, may Leave  
 room for some to Conclude, That on due no-  
 tice being once given by the Appealant or  
 Appealants to the Meeting against which he  
 she or they may Appeal, that he she or they may  
 be at Liberty, without any further notice to  
 bring his her or their appeal either to the Year-  
 ly Meeting Succeeding or that which follows;  
 This Meeting Orders, to prevent Disputes that  
 may arise on that head. That if any Appealant  
 or Appealants Do not bring his her or their appeal  
 to the Yearly Meeting Ensuing, Due notice once  
 given, that then if he she or they Continue  
 their Appeal notice shall be repeated in write-  
 ing to the Meeting against which he she or they  
 may Appeal, at least three months preceding  
 the Yearly Meeting.

No appeals  
 to be a  
 second  
 time

And it is Agreed by this Meeting to  
 prevent its being Troubled with a Repetition  
 of Appeals, That no Appeals shall be Received  
 a second time which hath been once  
 Determined here.

N<sup>o</sup> 2 Concerning Arbitrations

1684

in what Cases Arbitrators are to be Chosen

Agreed That the Choosing of Arbitrators is Proper in Cases of Differences about a mans property; But in Differences about Religious matters, as Schism, &c. The rule of Christ is to be Observed, if Thy Brother shall Trespass against thee. &c. Matti: 18, 15, 16, 17. the Church being Judge.

to Chose Arbitrators or to Submit to the Choice of Monthly Meeting.

all Controversies to be speedily ended.

Such as refuse are to be Disowned

1693

in a Doubtful point in Law

1692

Advised, that in all Cases of Controversie and Differences the Persons concerned therein, Either speedily compose the Differences between themselves Or make Choice of some Faithful Unconcerned Friends to Determine the same, and they to stand to their Determination. Or Otherwise if they cannot agree upon the Choice, of Certain Persons to Submit to the Monthly Meetings Choice of Certain Persons Meet to Inspect, and Determine the Controversy; And to stand to their award and final Determination thereof; that such Controversys may not be Continued to Cause a stink, and Reproach, for they are great shame and scandal. — And that care be taken for the speedy ending of all Controversys and Differences among Friends; And all Friends to take heed of being parties with one or another for the prolonging thereof. And such persons as refuse to submit to truths Order, or to hear the Church of Christ, are to be Disowned and Fetedified against, according to Christ's Doctrine on that behalf.

1693

Advised, that all Differences happening in Personal or Temporal Occasions be speedily Ended According to the Advice given in our last Yearly Meeting Epistle; And if any Doubtful point in Law be in the Case, then both parties may advise with some well knowing in the Law, for if any Just to be Contentious we have no such Custom in the Churches of Christ.

Advised

1696

Not to  
sue ano-  
ther at  
Law

Advised that no Friends shall go from the Order of Truth and former advice, to sue one Another at Law; but by themselves or by Reference, that all Differences among friends be Speedily Ended, and not Prolonged or Delayed. — And Dear Friends shun all Occasions of Strife and Discord, and take care to make a Speedy end of all Differences that are or may happen among your selves, as hath been often Advised, and that accord- ing to the holy Apostles Doctrine; Read. 1. cor 6c vs. 4 to 8

1697

Friends  
between  
whom any  
Difference  
happens  
to be advised  
to Choose  
Arbitrators

Whereas, it sometimes happeneth to the hurt of Truth, and grief of many Friends, that Differences do arise amongst some pro- fessing Truth, about outward things, it is therefore by this Meeting thought convenient and advised; That when any Friend or Friends shall hear of any such Differences betwixt any Friends in that Meeting to which they Do belong, That they forthwith speak to & tenderly advise the Persons between whom the Difference is to make a Speedy end thereof; and if that Friends or Friends do not Comply with their advise that then they take to them one or two Friends more, and again exhort them to End their Differences and if they or either of them refuse then, let them know that it is the advice & Counsel of Friends that they should each Choose an Equal Num- ber of Indifferent impartial & Judicious Friends to hear & Speedily Determine the same, and that they do bind themselves to stand to their award & Determination, Or the award & Determination of the Major part of them that shall be made and signed by the Arbitra- tors, or the award & arbitration made & signed by Com- pise if there be one agreed unto.

Also this Meeting doth advise that if any Person

1697

such as re-  
fuse to end  
their Differen-  
ces or to refer  
it are to be  
Dealt with

the person  
disowned

at Law

Person professing the Truth among us, and Esteemed a Friend shall refuse speedily to end the Difference or refer it as before advised, Complaint be made of that Person or Persons unto the Monthly Meeting to which he doth belong; and if after admonition he shall refuse so to refer his case that then the Meeting Do Testify against such a Person and Disown him to be of our Society; until he shall Comply with the Equal methods of agreements of our Society: and by such his Compliance doth Declare that he is for peace and doth seek and desire it; and when any Person so refusing is Testified against by the Meeting and Disowned, the other person may have his Liberty to seek his Remedy against him at Law.

arbitrators  
not to decline  
acting after  
they have  
accepted it

And if any Friends that shall be chosen to hear and Determine any such Difference as aforesaid after they have accepted thereof and the parties Differing are become bound to stand to their Determination, shall Decline and refuse to stand and act as arbitrators that then such Person or Persons so refusing be require- ed to give their reasons of their refusal unto the monthly Meeting to which they belong, and if that Meeting shall not Esteem those Reasons sufficient Justly to excuse them, then the Meeting to press them, to stand to what they have accepted.

continuing  
to decline  
standing,  
to be Testi-  
fied Against

And if after such admonition they shall continue to Refuse to stand as Arbitrators, that then the Meeting do Testify against them or either of them as such as are not subject to the Just rules of our Society neither ought to be admitted there- unto, until he or they Condemn & Retract the same.

And it is the Advice of this Meeting that persons Differing about outward things, do as little as may be trouble Publick Ministering Friends with being Arbitrators in such Cases.

And

1697

all persons to perform the award made

And that all Persons Differing be Advised by the Monthly Meeting to which they belong when their Cases are refered, and Judgment and award made, Signed and given thereupon, as aforesaid, to stand to and perform the said award, which they have bound themselves to perform, ~~and~~ and if any shall refuse so to do, That then the Monthly Meeting to which ~~they~~ such Person doth belong, upon notice thereof to them given, shall Admonish him thereunto and if ~~after~~ admonition he persist to refuse, then the Monthly Meeting to Testify against him as before.

No friend to sue or to be sued at Law

To conclude it, is the sense and Judgment of this Meeting that if any Person Professing Truth shall arrest sue or Implead at Law; any other Person Professing Truth before he hath Proceeded in the Methods herein Recommended: That such Person doth therein Depart from the Principle of Truth and the known way thereof, and acts contrary thereunto, and ought to be dealt with by the Meeting he belongs to, therefor, And if he shall not give satisfaction to the Meeting for such his disorderly Proceeding by condemning it and himself therein, that then he be Disowned by the Meeting therefor.

1705

meetings to take care that differences be speedily ended

If any Difference is Depending or shall arise between any Persons Professing Truth amongst us it is Advised and Desired that Effectual care in the Wisdom of God may be taken by Friends of the Meeting or Meetings to which such Persons belong, to put a full and speedy end thereto as has been formerly Advised - particularly in the year, 1697

Minutes of 1697 explained

The report of the Friends appointed on the Minute of 1697 Received with an Explanation which was several times Read & finally accepted by the Meeting;

The

The report and Explanation aforesaid are as followeth.

The report

It is the Sense & Judgment of this Committee, that the minute of 1697 relating to Arbitrations is consistent with the practice of our Ancient Friends, and very fit for a General rule for the Proceedure of Friends on such Occasions.

none to be Disowned without tender consideration of the Circumstances

Yet since General Rules <sup>commonly</sup> admit of Exceptions or Explanations, and divers Friends having Objected some particular Cases wherein they apprehended Difficulties may arise (which yet we apprehend is sufficiently provided for by the Discretionary Power vested in the respective Monthly & Quarterly Meetings) yet in Condescension to those Friends, we Declare That as no Persons ought to be Disowned <sup>without</sup> tender Considerations of every Circumstance attending such Cases, and due Admonition by the Monthly Meetings to the Parties concerned, so we tenderly advise that the several Meetings proceed with the utmost Circumspection therein.

Liberty to Appeal

And that if any Person so Denied by any Monthly Meeting shall apprehend He is not Justly Dealt with, He hath his Liberty, as in all other Cases amongst us to Appeal to the Quarterly Meeting who after thorough Examination of the Case, and all the Circumstances, and Proceedure attending it, shall proceed to confirm or reverse the same, as they in the fear & Wisdom of God shall see Cause.

And Whereas Sometimes it so happeneth that Persons under our Profession have proved so base and Unworthy, as when they have run themselves into Debt, to Endeavour fraudulently & hastily to remove themselves, or their Effects, to prevent Justice, whereby those Creditors, who are Friends have been Deprived of an opportunity of the Common method of Friends specified in the Minute aforesaid; it is hereby Declared, that the last paragraph of the said Minute which prohibits Friends to sue or arrest one another, &c

1720 Is not intended to prevent such evil Persons in those practises from being Dealt with by a Legal Process, as the nature of the case may require of which Circumstances the Monthly & Quarterly Meetings are the proper Judges, so it is not to be Doubted but they will do Justice to the parties Concerned therein.

Whereas upon the Dissatisfaction of several Friends with some parts of this Minute of this Meeting Anno. 1697, relating to Arbitrations of Differences about outward things there were some Friends appointed to read hear & consider the said minute & the Dissatisfaction therewith & make report, And accordingly the greater part of the Friends appointed for that service did bring in their Report which being read did not prove so generally to the Satisfaction of Friends as could have been Desired: Now this Meeting being fervently Desirous, that the universal Peace of the Church, & every sincere Member thereof, may as much as possible be preserved, & all Occasion of Uneasiness as much as may be removed, Doth accept & receive the report above mentioned, With this further Explanation,

That so much of the minute of 1697, before mentioned as doth relate simply to the entering into bonds, and so far as Arbitrations may be refused, on account of Disputes & Questions in Law relating to Executors or Trustees, in both these Cases that there be a particular & special Regard had to the nature & Circumstances of things: If not being either now nor at the time of making the said minute, the intent of this Meeting, to lay any unwarrantable Burthen upon any Brother, nor upon the Church of God.

Advised, that Due care be taken that all Offences Trespasses and Differences be speedily ended and composed; in

1720 In Gods Wisdom according to Gospel Order among us, either by mutual forgiveness, Christian Counsel or Just Arbitration as the case may require, and safely admit or allow; and the Choice of Arbitrators and Umpires, be of such Just Impartial men as neither party can Justly except against but both agree to their Choice.

1724

1724 Speedy Ending of Differences by prudent and Just Arbitrations again Recommended.

1725

1725 Former Advice hath by this Meeting been given, With regard to the Honour of God, and his Truth, that the Religious Reputation of our Society might be Preserved from Blamish and all Just Occasion of Scandal; and which we now again Earnestly press & Desire, That all Friends avoid as much as possible Occasions of Difference one with another, but if notwithstanding such care, any Difference shall happen to arise, that then the Friends of that Meeting in the Compass whereof any such shall happen, take timely care to put an end thereunto by advising and Exhorting those between whom Difference may happen to refer the matter of their Difference to Impartial and proper Arbitrators, which may be a very likely means to avoid the Scandal of going to Law one with another and to shew forth to the world that we Love one another, which is a distinguishing mark of being Christs Disciples.

all Occasion of Difference to be avoided

Friends to put an end to Difference

to avoid of Scandal of going to Law

1737

1737 And we do again remind you, that Friends may be every where careful to get all Differences about outward things speedily composed between themselves or by Arbitrators without Troubling Monthly or Quarterly Meetings with such affairs.

And it would be well that Friends were at all times ready to submit their Differences even with Persons not of our Perswasion to Arbitrators rather than Contend at Law.

Not to  
Indulge

We do Exhort and Desire you all, our dear Friends Brethren and Sisters, That are Parents & Governours of Families, That Ye Diligently lay to heart your work and Calling in your Generation for the Lord, and the Charge Committed to you, not only in becoming good Examples to the younger Sort, But also to use your Power in your own Families, in the Educating your Children, and Servants in Modesty, Sobriety and in the fear of God Curbing the Extravagant humors in the young ones when it doth appear, and not to Indulge it & allow of it For you are set in your Families as Judges for God, and it is you must give an account of the Power Committed to you; And when you see a Libertine and Wanton spirit appear in your Children and Servants that Lusteth after the vain Customs & Fashions of the World, either in Dressings Habits, or outward Adornings, and Craves your Assistance and Allowance, without which it cannot get forward while they are under your Government. Oh! then look to your selves, and Discharge your Trust for God, and for the good of their Souls, Exhorting in Meekness and Commanding in Wisdom, that so you may Minister and reach to the Witness, and help them over their Temptations, in the Authority of Gods Power. And when they feel themselves helped and Delivered, Their Souls will Bless God for you, and you will reap the Comfort of your Labour.

## Children

1690  
This Meeting Adviseeth, That Friends may be Careful not to train up their Children in the Worlds ways, Names of days & Months, and Language & Fashions, and that Friends may be Careful of Friends Children to Provide School-Masters & Mistresses that are Friends, where they are Capable, and not to send them to the Worlds Schools, to Corrupt them by Learning Heathen Authors, & the names of their gods, But to take care that they may train ~~they may~~ ~~train~~ them up in the Language of Truth, and that plainness which becomes the Truth, and to be good Examples to them, and not to say you to their Children, Nor suffer their Substance to be bestowed on their Children to furnish them with such things that are not becoming our Profession.

And Dear Friends, it is our Christian & Earnest Advice & Counsel to all Friends Concerned so far as they are able or may be Capable, to provide School-Masters and Mistresses who are Faithful Friends, to teach & Instruct their Children, and not to send them to such Schools where they are taught the Corrupt ways, Manners, Fashions, & Language of the World, & of the Heathen in their Authors; and names of the Heathenish Gods & Goddesses tending greatly to Corrupt and Alienate the minds of Children into an Averseness or Opposition against the Truth, and the Simplicity of it, But to take care that you train up your Children in the good nurture, Admonition & Fear of the Lord, in that Plainness & Language which becomes Truth, and Parents Masters &c. to be good Examples to them in a Sober & Godly Conversation & Plainness of speech, not to use the word you, or ye, to a Child or servant &c. nor suffer your Substance to be bestowed on your Children

to furnish them with such things as tend to Pride, and to lift them up in Vanity, or affect them with the vain Fashions of the World.

1691  
That Friends be Exemplary to their Children in Plainness of Language, Habit & Deportment & train them up therein that Modesty & Sobriety may be Countenanced, and the Fear of the Lord take place and Increase among them. See more in the same Printed Epistle.

1692  
Being Sensible how Incident youth is to be Corrupted, & how liable to Corrupt & hurt one another by evil Example and Liberty, It is Earnestly Requested that all Parents among Friends take all Godly and Christian Care in the Education of their Children, and be good Examples to them, & not to allow them in any thing that may Gratefully a vain mind, in immodest Apparel or foolish garbs, or other Extravagancies tending to their hurt, and the reproach of our holy Profession and incurring Gods Displeasure & Judgment which stands against the Pride of Life and haughtiness, but Sincerely to use their best Endeavours to train them up in the nurture and Admonition of the Lord, in Sobriety, Modesty & Plainness of Apparel Language & Conversation, as becomes our holy Profession and Christian Religion.

1696  
Agreed, That it be recommended to Friends to be very Careful in the Education of their Children and to see that it be as much as possible by Honest Friends, that while Children are getting Learning by such that are not Friends they are often hurt by having such things Instilled, or like seed sown into them that have taken root to the hurt of Children, and should therefore be prevented.

1696 We recommend to you that are parents the Plainness & holy Discipline of the Truth among your Children that they may be trained up in Truths way, and with a commendable Education according to your abilities; That a peculiar People we may be in the Life of Righteousness in our Generation Diligently Improving that good understanding, and those Heavenly Gifts, the Lord hath endued you with, and made you stewards of, to the Honour of him that hath called you, and the good & Comfort one of another.

1697 If being under Consideration how Friends Children might be Disposed of that are trained up in the way of Truth and fit to be put forth Apprentices; I to the Advise & Counsel of Friends that special Care be taken to put them Apprentices to honest Friends, that they may be preserved in the way of Truth

1710 The Lord knows we would not have any of our Dear Friends Children, who are natural Branches of a good Stock, Degenerate from that good seed and tender Plant that He has sown & planted in them, nor Corrupted from Truths Simplicity or Innocency, by the Society or ill Examples of any other Children Which Friends who are Parents should take timely care to prevent.

1715 That our Children may be preserved from the Wiles of Satan, as <sup>much as</sup> in us lies Let a Godly Care & Concern be upon the Minds of all Parents to Watch over them, with Supplications to the Lord, that they may not be Drawn away from the Innocency, Simplicity & Plainness of the way of Truth; and Labour in a sense of Truth to reach the Witness in them, that they may feel in their own spirits a Degree of Fear and Reverence towards God, and Instruct them to follow his Counsel and obey his voice, as the Tribes of Israel were Required of God to teach his precepts Diligently unto their Children. As touching the Education of Friends Children for which this Meeting hath often found a Concern, We think it our Duty to Recommend unto you the Necessity that there is of a Care in preserving them in Plainness of Speech and Habits, Suitable to our Holy Profession; and also that no opportunity be Omitted, nor any Endeavours wanting to Instruct them in the Principle of Truth, which we Profess, that thereby they being Sensible of the Operation thereof in themselves, may find their spirits not only softened and tender'd fit to receive the Impression of the Divine Image, but may also from thence find themselves under a Necessity to appear Clear in the Several Branches of our Christian Testimony: And as this will be most beneficial to them, being the fruits of Conviction so it is the most Effectual way of propagating the same throughout the Churches of Christ: And there being times & Seasons wherein their spirits are more, than at

The Circumstances of our Youth having been again under our Consideration We Judge it Necessary to observe, That the undue Liberty too many of them take, both in their Conversation one with another as well as with those not of our Profession, hath been Cause of Grief to know and hear, Wherefore We tenderly Recommend to all Parents, and such as may have Care of Children that they do as far as in them lies Carefully Inspect & Narrowly Inquire into the manner of their Conversation; That where Counsel or Reproof may be wanting it may in the Spirit of Love, and in sound Judgment be given.

It ought to be the great care & Concern of Parents, as they value the welfare of their Children & Posterity, and others who have youth under their Care, that they Endeavour by their Example, as well as precept, to keep them from bad Company for many have found by sad Experience, the truth of that Saying of the Apostle, Evil Communications doth Corrupt Good Manners. Guardians

Inasmuch as we have a Large Body of youth growing up, the Offspring of Friends, these call for our special Care & Concern, that they may be preserved in the way of Truth in which our forefathers walked & in order thereto, We tenderly Recommend to all Parents & Guardians, first that they take heed to themselves that their own Spirits be rightly seasoned & Directed for the help & good Government of their Children

And then that they have a constant watchful Eye in Love, over them for their good & keep <sup>them</sup> as much as possible, within their notice and Observation for this we are sensible of, that the Miscarriages of Youth have very much proceeded from being Impudently Indulged, or left to themselves, by which means they become Exposed to the Danger of Evil Examples on the one hand, and vicious Corrupt Principles on the other, with which the World too much abounds: and therefore we earnestly & tenderly Advise all Parents & Guardians, to be watchfully concerned in this respect, And that they take all proper Occasions both by Example and Instruction to help their Children: And that Mothers of Children as well as Fathers as they have frequently the best opportunities, would take particular care to instruct them in the Knowledge of Religion and the Holy Scriptures because it hath been found by Experience that good Impressions Early made on the tender minds of Children, have proved Lasting means of preserving them in a Religious Life & Conversation: This Practice was Enjoyed Strongly upon the People of Israel by Moses & Joshua the Servants of the Lord, who Required them to read or repeat the Law to their Children: And the Apostle Paul takes notice of Timothy's being well Instructed in the holy Scriptures from a Child, and of the Unfeigned Faith which dwelt in his Grandmother Lois & his mother Eunice, 2 Tim: 1: 5 Who no Doubt had a Religious Care of his Education.

And Dear Friends, you who have Children under your care or Tuition, We beseech <sup>you</sup> to Accustom them early to the Reading of the holy Scriptures and to train them up in the way of the cross, as soon as they are Capable of receiving Impressions of good & evil that parents be careful how they Indulge them in any thing that has an evil tendency, Endeavouring to restrain them from every hurtful thing, which their Natural Inclinations may lead them to Desire after, this we think is the Indispensible Duty of all Parents and We cannot see how they can answer the Omision of it, in the Sight of God, for such a neglect too often Occasions ill habits which afterwards are not to be restrained without great Difficulties, at all. We therefore earnestly Entreat our young Friends, with all readines of mind to receive & give place to the Labour of Love and wholesome Admonitions bestowed upon them by their Parents & others for their Benefit & Instruction; And carefully ~~to avoid~~ to avoid all evil Company, which corrupts good Manners, and leads into Disorders and Extravagancies; And that the Endeavours of Parents may be Crowned with Success, it behoveth them to Enforce their advice by a Suitable Practice, and an Exemplary walking in all Holyness & Godliness of Conversation.

Observed

whence

by what

Report  
in all ages

1736

The accounts we have received from some Places in this & other Countries of the Prosperity of Youth, and of the coming forth of some among us in a publick Testimony thereunto, have been very acceptable untill; yet it is very much Grief and Concern that we observe in some a Declension from the way of Righteousness & Truth, as well as from the plainness of Habit, & simplicity of speech & Behaviour, which were so conspicuous in our Early Friends, & many of their Offspring: — This Declension we apprehend arises from a Disregard to the Divine Sight & Truth they have often been Recommended to, as the Regulator of their Words & Actions. — By a Careful Conscientious regard to this the Holy Men in all ages Obtained a good report, & our Ancients & many of their Immediate Offspring were Comely in the Eyes of the Nation for their dole Department, & Religious regard to their words & Actions, a Godly Fear rested upon their minds, That the Precious Truth & Principle which they Professed, & felt the Blessed Effects of, might not suffer Reproach from their Misconduct: the like holy Concern now would tend to Regulate our youth and render them more Comely in the Eyes of beholders, than any External Ornaments or Deckings of the Body whatsoever: this would Instruct them to avoid all Pride & Affectation, & endue them with Humility Modesty & virtue which recommend to the favour of God, & a good Esteem among men. A Religious regard to the Principle of Light & Truth, Gods Witness in the mind & Heart of Man, ever produces the most Beneficial Effects, as well to Society in General as to every one in Particular. This would Introduce Universal Love Peace & Concord among mankind

This

1736

This would sweeten the Bitter Spirit, Mollifie & Aswage the fierce & violent Dispositions of men, mutually endear Relations & Friends, and bring all into the Unity & Fellowship of the holy Spirit. The Fruits whereof the Apostle Declareth are, Joy, Peace, Long suffering, Brotherly kindness & Charity: We do therefore most Earnestly Recommend a strict Attention to this holy & Divine Principle to Friends every where, and in a particular manner to the Youth of the Present Generation.

And Dear Friends in order that as we have received Christ, so we may walk in him, in all holiness and Godliness of Conversation we Earnedly Exhort that ye hold fast the Profession of the Faith in Our Lord Jesus Christ, without wavering, both in respect to his outward coming in the Flesh, His sufferings, Death, Resurrection, Ascension, Mediation and Intercession at the Right hand of the Father, And to the inward Manifestation of his Grace & holy Spirit in our hearts, Powerfully working the Soul of man, to the subduing every evil Affection & Lust, and to the purifying of our Consciences from dead works to serve the Living God; and that through the Virtue & Efficacy of this most holy Faith, ye may become Strong in the Lord, and in the Power of His Might, which will Enable you to worship God in Spirit, with Acceptance, and preserve you in a lively frame of mind, from a drowsy and Lukewarm Spirit, which in all our Religious Assemblies ought to be guarded against with the Utmost Care and Circumspection: — In this lively Faith & pure Life of Christ, you will have Victory over the World, over your Desires, after the Grandeur & Perishing things thereof, and over the Corrupt Customs & Fashions, which are Contrary to the purity of the Gospel, & our Ancient Christian Testimony.

For the sake of tender & young convinced Friends, An Earnest Concern is on the minds of many that no Occasion of stumbling or offence be laid in the way, but that all such as have made longer Profession of the way of Truth, may be careful to walk before them in all holiness & Uprightness of Conversation & in an humble waiting upon the Lord, that their Example may tend to the Encouragement & Strengthening of those who have <sup>been</sup> more lately Visited, to a Steady & Constant perseverance in the path which the Lord hath Directed their feet into.

And Dear Friends, 'tis with much sorrow & Grief of heart, We have still Occasion to Remind you of the advice so lately Delivered in our yearly Epistle, namely to keep out of Extravagant Fashions & Customs of the World, and not to Launch further into Trade & Business than you are Capable of managing & Carrying on with Reputation & Credit among men, & without prejudice to yourself or Detriment to any. We are fully Persuaded that if Friends every where had a Due Respect and Regard to this one precept of Christ, viz. Seek ye first the Kingdom of God & his Righteousness, which is the Indispensible Duty of all his Followers to observe, we should have little or no Occasion for the Repetition of such Advices: Let therefore We earnestly beseech you that precept of our Blessed Lord & Master, and Holy head, be duly Considered, & put in Practice, that by ordering our Conversations agreeable to our Profession, We may shew forth the Praise of Him that hath called us, so shall we witness the Promise to be fulfilled, Them that honour me, saith the Lord I will honour.

And forasmuch as we are called with an high & holy Calling, to all Holiness & purity of Conversation; Let your Behaviour among men be unblameable & Such as may adorn the Gospel of Christ; Let not the vain and Foolish fashions of the World prevail over you; — avoid Sports, Plays, & all such Diversions, as tending to Alienate the mind from God; and to Deprive the Soul of His comfortable Presence & Power; Be Temperate and Sober; Shun all Excess in Eating & Drinking, Let such of you as Deal in Spirituous Liquors, be careful to Limit your Trade within the Bounds Prescribed by the Law of the Land; Beware lest any of you suffer as an evil Doer. — 1. The advice in 1738 renewed, and earnestly beseech our Friends and the Youth especially, to avoid all such Conversations as tends to Draw out their minds into the foolish & Wicked Pastimes with which this age abounds Particularly Balls, Gaming places, Horse Races, & Play houses those Nurseries of Debauchery and Wickedness. — the Burthen and Grief of the sober part of other Societies, as well as of our own; — Practices wholly Unbecoming a People under the Christian Profession, &c see the Printed Epistle.

Greatly would the Christian Discipline Established amongst us, if thus exerted in Divine Wisdom & Zeal, Contribute to prevent the growing Evils & hurtful Liberties of various Kinds which appear in too many places, to the Dishonour of God the Grief of good Men & the Reproach of our Holy Profession.

But if Individuals Neglect their Duty Grow Cool in their Love to God, & Loose that hunger after Divine Virtue & inward Support, to Live to his praise & their own Comfort, which is the certain Effect of his Visitation, wherever it is Embraced, how can a proper Concern for the good of others, & for Prosperity of Truth have Due place in their Minds? ## N<sup>o</sup> 14<sup>th</sup> Concerning Visiting of Families

1708  
 Forasmuch as a Godly Care is growing among  
 Friends in many Places, that all things which are  
 Unsavory and hurtful might be Remov'd, that so  
 all that Profess the Precious Truth with us, may come  
 up together in the good Order of the Gospel, for the  
 furthering of which and Encouraging thereunto, It is  
 Recommended, That Weighty & Sensible Friends of Unblam-  
 able Conversations, be Chosen in the Wisdom of God,  
 to Visit the Families of Friends in His Love; Who  
 are Desired to advise or Admonish in the Peace-  
 able Spirit of Truth, as Occasion may be seen.

We Esteem it very necessary & requisite, that  
 young Convinced, & well inclined Persons & Friends,  
 be early Visited in the Love of God, by Faithful  
 Friends, for their Encouragement, help and Fur-  
 therance in the Truth. And that the Christian Duty  
 of Visiting the Sick, be timely Remember'd & Practis'd  
 it having often left Comfort Ease and Sweetness

And we would hope, if Friends in their  
 Monthly Meetings, should pursuant to the Directions of  
 this Meeting in the Epistle, 1708 appoint proper

 Members, it may in great Measure prevent the Ne-

 been so frequently given.

1731

1733 We again recommend to Friends in their several Monthly Meetings, to take Especial Care to appoint proper Prudent & Judicious Friends to visit their Brethren in their Families, pursuant to former Advices, viz: in the Epistles 1708 & 1729 herewith sent; and that such Friends Labour Faithfully in a Spirit of Love & in the Meekness of Wisdom, to convince the Judgment of their Respective Members of the Necessity of their coming up with their Brethren in Practice agreeable to our Christian Testimony, which Truth hath given our Ancients & us to bear, may be Maintained Unviolated. See Meetings for Discipline: p. 173.

And Dear Friends, having Received very comfortable accounts from Divers Places, of the good Disposition raised in the Minds of young Persons to walk in that Plainness & Self-Denial which have been often Recommended by this Meeting; We Earnestly Desire, that Parents & Guardians, & Friends every Where, would Watch over such, & Encourage & Cherish every thing that may contribute to their Growth & Progress in the Ways of Truth and Holiness: and for the Strength & Encouragement of every such Well-Disposed young Person, We earnestly Exhort Masters & Mistresses of Families to be Exemplary, & to enforce their Advice by an agreeable Conversation or Practice and in no wise to discourage, but Encourage both their Children & Servants in that plainness of Speech & Behaviour, which the Truth Leads to.

A Complaint being made about some Ship-Masters, Who Profess the Truth, and are Esteemed Quakers, their Carrying Guns in their Ships, — Supposing thereby to Defend & Secure themselves and their Ships, Contrary to their former Practice & Principle & to the Endangering their own & others Lives thereby; also giving Occasion of more severe hardships and Sufferings to be inflicted on such Friends as are pressed into Ships of War, Who for Conscience sake cannot fight nor destroy mens Lives: 'Tis therefore Recommended to the Monthly & Quarterly Meetings, whereto such Ship-masters Belong, to Deal with them in Gods Wisdom & tender Love, to stir them up & awaken their Consciences that they may seriously Consider how they injure their own Souls in so doing, and that Occasion they give to make the Truth and Friends to suffer by their Deceit and acting Contrary thereunto, thro' Disobedience and Unbelief, placing their security in that which is altogether insecure & Dangerous: which we are really sorry for, and sincerely Desire their Recovery, and safety from Destruction, that their Faith and Confidence may be in the arm & Power of God. — See more in the same Printed Epistle

This Meeting therefore having taken this sorrowful and afflicting case, and breach of our Ancient Testimony, into our serious Consideration, have thought it our Incumbent Duty, to bear our Testimony against such Practices: And 'tis the Unanimous Sense of this Meeting, That all Quarterly and Monthly Meetings ought speedily to deal with every Person found in the Practice of such things, in the spirit of Truth and Love, in order to bring them to a sense of their Error and to reclaim them from it; which if they cannot do, then to Testify against them, and Let them know We have no Unity or Fellowship with them.

Advised to walk wisely & circumspectly towards all men in the Peaceable Spirit of Christ Jesus, giving no offence nor occasions to those in Outward Government, nor way to any Controversies heats or Distractions of this World about the Kingdoms of it but Pray for the Good of all, and submit all to that Divine Power & Wisdom which Rules over the Kingdoms of Men.

1690

It is Advised That Friends be Circumspect and not make it their Business to Discourse of the Outward Powers but to Discourage all such Things.

And Dear Friends, Altho' we gave plain & Christian Advice & Admonition last year for friends to beware of all airy Discourses, Disputes & Controversies about the Kingdoms of this World, that all might walk wisely & Circumspectly, in subjection to the Divine & over ruling Power and Wisdom of God: yet Contrariwise, to our Grief, We have heard too much Complaint & Reflections Occasioned by some who have not observed a true Bridle to their Tongues, but have been too busy loose and airy in Discourses of that Nature. and therefore we do Exhort and Admonish all such, in the fear of God, and as they have Respect unto his holy Truth, and Innocent People, and their own Safety, to be watchful, careful and Circumspect for the time to come, that none may suffer as busy bodies, nor bring Suffering or Reproach, or Cause jealousies to be raised upon or against others that are Innocent, & singly Desire the Preservation Safety & Peace of all Friends in Truth & Innocency towards all Men.

1692

1692 <sup>1692</sup> This Meeting was well satisfied and very Glad in the sense they had of the Innocency and peaceableness of the Body of our Friends in General towards the Civil Government under which we live & Enjoy our ~~Present~~ Liberty in the Peaceable Exercise of tender Consciences toward Almighty God to whom we are humbly thankful for the time being Oblidged to Demean our selves not only as a grateful People, but a Christian Society to Live peaceably & Inoffensively under the Present Government, as we have always Done under the various Revolutions of Government, ever since we were a People, According to our ancient Christian Principle and Practise in which we hope we shall ever persevere to the End of our Days, according as we are Enjoined by our Peaceable Saviour Christ Jesus, and the Christian Advice of his Faithful Servants & Ministers among us; We being a People Clear in the Sight of God from all evil Designs Plots & Conspiracies whatsoever, & hope in God that We shall Continue a People always Quiet in the Land having nothing but Love & Good Will to all Men, for which End we Earnestly Desire and hope that a Christian care may not be wanting among you for the Preservation of our Whole Society in that Innocent Life & Peaceable Conversation, which is agreeable to our Christian Principle & Profession wherein we have from the beginning found our safety, and peace with God, & Him to be our Defence, being fully Perwaded, this our Ancient Christian Testimony Publickly Owned among us, None can gainsay, Nor any Faithful Friends to God & Christ can ever Decline it: being Assured our God will in his own Due time remove all Offences & Causeless Jealousies and Reproaches tending to Cloud our Innocency, & will Set his own Power and Peaceable Kingdom of his Dear Son over all.

Testimony against the Government

This Meeting Understanding that some in the Government have reported, that some Persons who are Called Quakers have used secret and indirect ways to take up their up their Goods without paying the Customs and Duties which the Law hath laid upon them, whereby the King is Defrauded of his Right.

This Meeting thereupon Declares it to be the Judgment of Truth and Friends, that all such practises are evil; and if any Person who Professeth Truth should be Guilty thereof, such Persons would thereby go out of Truth, and Act Contrary thereunto.

1703

1703

1705

to walk worthy of the favour of the Government

Since the Lords Good Providence has so far Blessed Friends as to Give them Favour with the Government, It is Desired that Friends would Continue with all Humility to Walk worthy of that Mercy; and Improve the same by a Gentle and peaceable Conversation towards all men, in their respective places of a bode.

1709 And the Love of Unrighteous gain, as to be drawn into any such Evil. We Desire you will Deal with such Persons to make them sensible of such corrupt and pernicious Practices, that our holy Profession may not be Blemished thereby: Nor any offence given nor Injury done by being concerned in prohibited goods, or Wrecks Unrighteously taken away from the Just Owners.

1715 As the Blessed Truth we Profess teacheth Us to do justly unto all men in all things, even so more Especially in a Faithful Subjection to the Government in all Godliness & Honesty, continuing to render to the King what is his Due in Taxes & Customs payable to him according to Law.

1719 As our Testimony hath been, & still is against the Defrauding the King of any of his Customs, Duties, or Excise Buying Goods Reasonably Suspected, <sup>to be</sup> Exporting Wool, or any other Goods prohibited by Law, or doing any other thing whatsoever to the Injury of the Kings Revenues, or of the Common Good, or to the hurt of the fair Trader, so if any Person or Persons under our name & Profession, shall be known to be guilty of these or any such Crimes and offences: We do Earnestly Advise the Respective Monthly Meetings to which such offenders belong that they severally reprehend & Testify against such Offenders & their unwarrantable & Unlawful Actions, & Admonish them to make Restitution for the wrong done to the Government And the Holy Truth Professed by us.

1730 Advised, That Friends behave with all Dutifulness & Gratitude, and Especially to Discourage every the least appearance of indecent freedom or mark of Dissatisfaction in word or Writing, Relating to the Government.

1732

1732 It is very acceptable to us to find by the accounts from the several parts of the Kingdom, that according to former Exhortations of this Meeting, Friends continue Generally careful not to Defraud the King of his Customs Duties or Excise; And so far to Discourage such Practices, as to avoid Dealing in goods Reasonably suspected to be Kun, this is a Care highly Commendable & no doubt Incumbent on every honest Subject, But as the Government hath Signally favoured us, in our Religious Liberties, We are under the greater Obligations of Gratitude as well as Duty, to Manifest that we are as truly Conscientious to render to Cesar the things that are Cesars as to support any other Branch of our Christian Testimony.

1733 The last Years advice again recommended.

1734

1734 We are glad to hear by the accounts received that Friends are Generally found in the Practice of their Christian Duty of rendering to Cesar the things that are Cesars. & do Earnestly recommend a strict care for the Continuance of the same in every ~~or~~ Branch of the Kings Revenue.

1735 The Advices we have Received of the General care of Friends to keep clear from Defrauding the King any Branch of his revenue, are very acceptable to us, who hold it our Indispensible Duty

We earnestly recommend the Continuance of that necessary Duty & Desire that Friends Every where may be careful to Discourage such Practices, which are not only unjust but also inconsistent with that gratitude which we as a People ought to Express towards a Government to whose Serenity & Goodness we are Obligated for the Priviledges we Enjoy.

N<sup>o</sup> 57<sup>o</sup> Concerning Law.

1675

As the Meeting doth not Enjoin, Impose upon, or Advise any Friends in Sufferings to take Course at Law for a Remedy, so neither can we Impose upon them not to use the Law in any Case; but a Freedom is left to the Sufferers to use such means as consists with the Unity of Friends, & their own peace and Satisfaction in the Truth & in the bearing a Faithful Testimony in Righteousness.

That Friends do not Judge nor reflect upon one Another in those Cases, a Freedom being left upon Urgent Occasions, to take such Course for Relief & Ease to the Oppressed, as may not be Prejudicial to Truths Testimony.

That if any Friend or Friends apprehends a Necessity to Endeavour for Relief by the Law of the Land to stop the Destroyers &c They first advise about their Case with their respective Monthly or Quarterly Meetings, or at least with some of the Principal Friends relating thereto.

That Friends who suffer be advised not to let out their Minds into too much Expectation of outward Relief by Friends here; but that they patiently & Principally Depend upon the Lord. And his Power to plead their Cause.

1676

That Friends be careful of Entangling themselves in the Law, because of small Irregularities in Proceeding, but if the Law be materially Transgressed, and the Severity of it Exceeded by our Persecutors, That Friends in Gods Wisdom use their Liberty, upon serious & good advise among themselves, so as the Truth & its Testimony may be kept clear Over all.

Whereby those Creditors who are Friends have been Deprived of an opportunity of the Common Method of Friends specified in the Minute aforesaid. <sup>b</sup> It is hereby Declared that the last paragraph of the said Minute, which prohibits Friends to sue or arrest One another &c. is not intended to prevent such evil Persons in those Practices from being Dealt with by a Legal Process, as the Nature of the Case may require, of which Circumstance the Monthly & Quarterly Meetings are the proper Judges. It is our Living Sense & Judgment in the Truth of God, that not only those Marriages of near Kinsred, Expressly forbidden under the Law, ought not to be Practised under the Gospel, but that in as much as any Marriage of near Kinsred in the times of the Law was in Condescension and upon such extraordinary Occasions as upholding their Tribes, & that the nearer their Marriages were the More unholy they were accounted. We in our Day ought not to approach our near Kinsred in any such respect particularly First Cousins; being Redeemed out of those Kinsreds Tribes and Earthly Lots (for the Upholding of which Marriages within the Kinsred were once Dispensed with) And brought to that Spiritual Dispensation which gives Dominion over the Affections, & Leads to those Marriages which are more natural & are of better report, And the some through weakness have been Drawn into such Marriages (which being done must not be broken) yet Let not their Practice be any precedent or Example, to any Others amongst us for the time to come.

Parents who have Children to Dispose of in Marriage, are tenderly Advised, not to make it their first or Chief Care to obtain for them Large Portions or Settlements of Marriage, but rather be Careful that their Children be joined in Marriage with Persons of Religious Inclinations,

Children to advise with parents or guardians

As Parents have a Natural Right to approve of and Consent to the Marriage of their Children so this Meeting doth Earnestly Desire, That Friends Children would Consult & advise with their Parents and Guardians in that Great and Weighty Point, so essential to their happiness and Comfort, before they Set out their Minds or do Entangle their Affections: The too frequent Examples that have happened to the Contrary hereof have Caused Lamentation in honest Parents, & great Affliction to themselves.

to prevent designing person from entangling the affections of youth

Advised that care and Enquiry be Seasonably made to Prevent All designing Persons in their Endeavours to Entangle the Affections of our Youth in Relation to marriage; the unbecoming Disobedience of some therein having frequently brought Deep Affliction on their tender Parents, and Misery on themselves: And on this Occasion, We tenderly Desire, that Parents, or Guardians do not make Earthly riches a Chief View or Cause of Consent in Marriages.

We also Recommend the good Order of Friends relating to Marriage, that it be carefully preserved and duly Maintained, in the first and Earliest proceedings leading thereunto, as well as the Orderly solemnization thereof and if any Persons, Contrary to the repeated advice & established Order of Friends should under any pretence whatsoever presume to take one another in any Meeting for Worship, without the Consent of the

 relating to Marriage, which is of good Esteem among the People, We ad-  
 to be main- vise that the Monthly Meeting doth not fail to  
 tained Testify against the Practice, as well as against  
 the Persons Concerned therein.

1734

1734 And We do Exhort Friends Every where,  
 that in the great Concern of Marriage, whereon  
 much of the Comfort & Happiness of Life Depends,  
 they be mindful to proceed in the fear of the Lord,  
 and have an Eye to him for Counsel & Instruction  
 in their Choice;— The Neglect of which has been  
 the ruin of Many Families, and tended much to  
 the reproach & Dishonour of Our holy Profession.

1743 This Meeting having Deliberately considered  
 the great Exercise brought upon our Society by  
 divers in Profession with us who contrary to our Prin-  
 ciples and that wholesome Discipline Established  
 amongst Friends, Do Marry by the Priests with  
 those not in Communion with us, and some who pro-  
 fess with us, Join in Marriage in the same man-  
 ner; It's therefore Earnestly requested of all friends  
 that they Use their Utmost Endeavours to pre-  
 vent all such Marriages whensoever the  
 Party's Intentions may come to their know-  
 ledge; And that all monthly Meetings where  
 such Marriages may happen, Immediately

 deavour in the Wisdom of Truth to bring them to  
 a true Sense of their Disorderly Practice, and if the Labour  
 of Friends should have so good an Effect, that they in Sin-  
 cerity give a Testimony under their hands, Condemning  
 their said Practice, to the Satisfaction of the Monthly  
 Meeting, In such Case Friends are Desired to Use tender-  
 ness towards them; But if the Christian Care of Friends  
 do not prevail to bring them to a true Sense of their Error, then  
 the Monthly Meeting is hereby Directed to give forth a Tes-  
 timony against such, for the Clearing of Truth & Friends.

And it is the sense of this Meeting, that where any  
 Marry contrary to the Rules of our Society as aforesaid,  
 their Collection shall not be Received by any Meeting;  
 Nor they be Relieved in the Manner of Poor Friends, Nor  
 be Admitted to sit in Meetings of Discipline, Until they are  
 Restored into Unity with the Monthly Meetings to which  
 they formerly belonged. Yet it is not hereby Intended to  
 hinder the Charity of Friends in their private Capa-  
 cities, to Extend it when & to whom they shall see meet.

 of our Own, or of other Perswasions, Do Earnestly advise,  
 that all Friends Use their utmost Endeavours to Pre-  
 vent such Marriages whensoever the Party's Intentions  
 may come to their knowledge.

And it is the Sense & Judgment of this Meeting,  
 that where any do Marry by the Priest or in any  
 other Manner contrary to the Established Rules of  
 the Society, they shall be Dealt with in a Spirit of  
 Christian Love & tendernefs, agreeable

that you Watch Diligently over One Another  
for good, & that you deal in due time with  
such Offenders & all others that walk Disor-  
derly Endeavouring to Reclaim & Restore them  
by Brotherly Reprimand & Counsel, But where  
after Patient waiting, you find that your Con-  
tinued Labour of Love hath not its Desired Effect.  
That you neglect not to testify against and  
Disown such persons, thereby preventing the  
Reproach & Dishonour, which might be Brought  
upon our holy Profession, through their Miscon-

1770

1770

At our yearly Meeting held at Newport on Rhode Island  
The Quarterly Meeting of Rhode Island Desired the advice  
and Judgment of the yearly meeting, Whether it be not  
an inconsistency in friends conduct in allowing their  
members to undertake to Soyn people in marriage after  
the manner of the world

The above Reference being referred to a Committee, they  
made Return, Which after being Read & duly Considered  
was approved by the said yearly meeting and is as followeth  
(viz) We the Committee of the yearly meeting being  
appointed to consider the Reference from the Quarterly  
meeting whether it be not an Inconsistency in friends  
conduct in allowing their Members to Soyn people  
in marriage after the manner of the world

It is our Judgment, that it is an Inconsistency,  
And it is the mind of this Meeting that if any member  
be found in the Practice thereof for the future,  
he be Dealt with as a Transgressor

1772

1772

The following matter were concluded upon  
at a yearly Meeting of friends held at  
Newport on Rhode Island in the 6<sup>mo</sup> 1772

It is our sense and Judgment that our Discipline  
forbids the Marriage of Brothers Children, Sisters  
Half Brothers Children half Suters Children, and a  
first Cousins Child and all persons whomsoever  
nearer than a second Cousin, — And that they are  
advised to Desist therefrom, & if any notwithstanding  
should proceed in Marriage together, nearer than  
second Cousins being previously cautioned and advised  
against it, the monthly meeting where such may belong  
give forth a publick testimony against them,  
and not to receive such into their Society until such  
meetings be well assured that they have found a place  
of sincere repentance & are received in the truth

## Marriage

1773

It is our present sense and Judgment upon the Query  
brought from Rhode Island Quarterly, Whether it be not  
inconsistent with Truth for any friends to marry with a  
Deceased Wives Suter or a Deceased Huslands Brother,  
That friends be careful to give timely advice and Re-  
monition against such a Proceedure, and if any should  
be Reluctant thereto & proceed in marriage, that such be  
without Delay denied Membership, and Testified against  
as having Committed an heinous Transgression, and that  
such be not admitted to membership again in the Society  
until friends shall be well assured that they are Received  
in the truth

N<sup>o</sup> 2<sup>d</sup> Concerning Meetings for Discipline.  
1675

1675 It is our Judgment and Testimony in the Word of  
Gods Wisdom, that the Rise and Practice, setting up  
and Establishment of Mens & Womens Meetings in  
the Church of Christ in this our Generation, is accor-  
ding to the Mind & Counsel of God & done in the  
Ordering & Leading of His Eternal Spirit: And  
that is the duty of all Friends & Brethren in the  
Power of God, in all parts to be Diligent therein,  
and to Encourage and further each other in that  
Blessed Work, & particularly that Friends & Brethren  
in their Respective Counties Encourage their Faith-  
ful & grave Women in the Settlement of the said  
Meetings.

of the Estab-  
lishment  
of Mens &  
Womens  
Meetings

1676 The Power of God is the Authority of the mens &  
Womens Meetings, & of all the other Meetings.

the Autho-  
rity, & who  
have right  
thereunto

All the faithful Men & Women, in every Country  
City & Nation, whose Faith stands in the Power  
of God the Gospel of Christ & have Received this  
Gospel, dare in the Possession of this Gospel, the Pow-  
er of God, they have all right to the Power of the  
Meeting, for they be Heirs of the Power & the Autho-  
rity of the Mens & Womens Meetings.

1691  
Womens Meet-  
ings to be Encour-  
ged & settled

1691 Advised To Encourage the faithful Womens Meet-  
ings & the settling them where they are wanting,  
& may with conveniency be settled, knowing their Service  
& what need there is also of their Godly Care in the Church  
of Christ in divers weighty respects proper to them.

1693

1693 To avoid Contention & strife in all Meetings it  
is the advice & sense of this Meeting,

That

1693<sup>1</sup> That all Friends have a Care of Gods Glory & be tender thereof as hath been often Advised.

2 To keep the Authority of your Meetings in the Power of God, & Unity of his blessed Spirit, whereby they were Erected & Settled, & Continue your Godly Care & Services therein, for those good Ends for which they were first Instituted.

3 To keep out all Contention Personal Reflections & Smittings out of your Meetings, & keep down & out of all heats & Passions, & Doubtful Disputati-

ons  
4 Suffer no turbulent Contentious quarrelsome Spirit or Person to be Concerned among you in Ordering your Affairs, that they may be all Managed in the peaceable tender Spirit and Wisdom of Christ Jesus.

5 Suffer no Divisions or Schisms or making Parties among yourselves, One against another, for that will greatly tend to weaken your Meetings and Loose their Power, and to Cause them and you to be Slighted.

6 Both our Mens & Womens Meetings and our Monthly & Quarterly Meetings, & Yearly Meetings, & Meetings for sufferings, were set up in the Wisdom, Counsel & tender Love of God, & in the same peaceable Wisdom to be kept, and Encouraged for all those good Ends for which they were Intended and Appointed.

See Records, page, 279.

1696

1696 Let all your affairs be managed in your meetings in the peaceable Wisdom & Spirit of our Lord Jesus Christ not striving, but bearing one with & for another that the Power of Christ may rest upon you & Rule in all your Assemblies.

1697

1697 Advised, That monthly and Quarterly Meetings keep up our Christian Order, and Religious Discipline in the Church, That all Disorder & Looseness may be prevented

1700  
1700 Keep all your Meetings, as well those for good Order, Clarity and Christian Discipline, as those set a part entirely for the Worship of God, in His Love, & in the Name, Power & peaceable Spirit of his Dear-son Jesus Christ; which is the alone true Authority of all Our Meetings, For without Him We can do nothing: And in His blessed Power stand fast in righteous judgment, over all unruly & Disorderly Spirits, that would break in upon the good order and Discipline settled among us, as well as over all those that seek to Lay waste the Testimony of Truth and Cause the Offence of the Cross to Cease.

1703

1703 Our Monthly and Quarterly Meetings being set up and Established by the Power and in the Wisdom of God, which is the Authority of those Meetings, all Friends are tenderly Desired & Advised, Carefully to keep to & in that Authority; and therein manage all the Business and affairs of the said Meetings, in Discharge of their Duty to God & His Church, and not expect or depend upon this Meeting for particular Direction from time to time how they shall proceed in the Management of the Concerns of those Meetings relating to Truths Testimony and Service. But wait for & depend upon the Power & Wisdom of God, for Counsel & Direction in such matters and Cases as may come before them, which will be to the great Ease of this Meeting, & Dispatch of the proper Concerns thereof. — And let the Mans part & Natural Wisdom & Attainments be subject to the Power and Spirit of God, which will truly Edify the Body in Love & Righteousness and Peace.

And

1703 And if any Decline or Let fall any Branch of their Testimony that such may be in the Wisdom and Authority of Truth Dealt with & therein Mercy & Judgment Exercised in their proper Places.

1704

We tenderly Recommend and Desire that those Friends that are Concerned in the Management of the Affairs of the Church in the Monthly & Quarterly Meetings, be careful to act in the Wisdom of God, that they may be Exemplary therein to those that are young; & that they will encourage such young Men & Women as they are sensible are Qualified, and made Capable thro' waiting upon God, to serve Truth in your Respective Meetings, that they may come up and stand in the Life of Righteousness to be serviceable in the Church, helpful to Ancient Friends and fitted to supply their places as such shall be removed.

1705

It is Advised and Desired, that in all monthly & Quarterly Meetings, Friends take great care to manage the Affairs of Truth in a calm meek & gentle Spirit without heats Discord & Contention. For if any seem to be Contentious we have no such Custom on the Churches of God 1 Cor. 11. 16 "And the Apostles advice also was: That nothing should be done though Strife or vain Glory. But in Lowliness of Mind Let each esteem other better than themselves, and do all things without murmuring & Disputings, Philip 2. 3 & 14 which Apostolick Counsel & good Order we desire may be kept to and Carefully Observed.

1706

Advised, to keep all Meetings, both those for Divine Worship, & those for good Order & Discipline in the Church;

in

1706

in the Name and Power of our Lord Jesus Christ, which Divine Power we all ought to wait to feel to prepare and Sanctify our Minds & Spirits that we may be Duly Qualified for our share & part of our Service therein, and in the same Heavenly Power & Dominion Labour to keep out Strife & Contention, and stand over all forward & contentious Spirits, not in your own, but in the Meek spirit of the Lamb of God.

Womens Meetings to be Encouraged

Our Womens Meetings being set up and approved in the Love of God, and by His Wisdom & Power, and of manifest Service & helpful in the Church, It is the earnest desire & advice of this Meeting, they may be upheld and Encouraged where they are settled, by Monthly & Quarterly Meetings, & that in such Counties and Places where they are not, it be the care of the Quarterly Meetings to Endeavour they may be set up & Encouraged in proper & Convenient places where they may be most serviceable and helpful.

1709

This Meeting Desires that the Accounts of the Prosperity of Truth &c that are brought in writing from the Several Quarterly Meetings to this Meeting, be signed at or by Order of the Quarterly Meetings.

See Teachers, page, 252.

1715

Monthly Meetings to divide itself

Agreed, That no Monthly Meeting shall be allowed to divide itself into two separate Monthly Meetings, either by reason of the decrease of Love, or any other difference among them in that Meeting, without the consent or Concurrence of the Quarterly Meeting.

Elders & Overseers

And Let none Exercise Rule or Government in the Church as Elders or Overseers but such who are Unblamable in Conversation & Examples free from

any fault

1715 Covetousness, over-reaching Oppression & Exaltation, &c.  
 Elders & Over-seers Persons of good report, even among those that are without, following those things so earnestly Recommended by the holy Apostle, Paul & Peter, *Phillip. 2, 3.*  
 " Let nothing be done through strife & vain Glory,  
 " but in Lowliness of Mind Let each esteem other  
 " better than themselves, *1. Pet. 5. 2, 3.* Feed the flock of

 " thereof not by Constraint but willingly, not for  
 " filthy Lucre but of a ready mind, neither as  
 " being Lords over Gods Heritage, but being Ex-  
 " amples to the Flock.

See Meetings for Worship, page, 136

1717 <sup>1717</sup> Recommended, That Friends, but more especially such as are concerned in Meetings of Business do Labour to know their own spirits Subjected by the Spirit of Truth, that thereby being Baptized into one Body they may be truly one in the Foundation of their Love & Unity, & that therein they may all Labour to find a nearness to each other in Spirit, this being the true way to a thorough Reconciliation, wherever there is or may have been any Difference of Apprehension, thereby Friends will be preserved in that Sweetness of Spirit, that is & will be the Bond of true Peace throughout all the Churches of Christ. 1718

1718 Advised, that nothing be done through Strife & Contention or vain glory, murmuring or Disputing, but in the Spirit of meekness Love and humility carry yourselves toward one another. And the younger Brethren Endeavour to know their places, as Living Members of one Body, and preserve a Due regard to their Elders in Christ Jesus.

1719 <sup>1719</sup> Advised, in a particular manner when assembled for the Affairs of the Church, that the Wrath of man which worketh not the Righteousness of God, may be kept down together with Exaltedness of mind; and that on the contrary, the meekness & Wisdom of the Lord may Govern all Friends, & they in that carry on and perform the Affairs of the Church, where- by the many & great evils which attend Wrath and Exaltedness will be suppressed & prevented.

And it is Desired that the Epistles & Accounts of the Affairs of Truth sent to this Meeting from yearly Quarterly and Monthly Meetings, may if possible be read and approved in the respective Meetings, from whence they are sent before they be signed on behalf of the Meetings.

And see Yearly Meeting, page, 455

1722 <sup>1722</sup> Advised, To a Cementing in a very close & brotherly Fellowship one with another in the Divine Spirit, & therein watch against all Occasion of Discord or Breach of Unity, in any Quarterly, Monthly or Particular Meeting, to the End, that they may continue a quiet Habitation the Glory & Presence of God rest & remain on them, & the Spirit & Doctrine of the Gospel may be lived in and Maintained.

And we also Recommend that such Friends as are concerned in the Affairs of the Church, in the Quarterly, Monthly, or particular Meetings, be careful to act therein in the Wisdom of God, whereby they will be an Example to the Young, who may be esteemed Members thereof & attend the same, & as such young Persons are found to be Qualified with a real sense of Truth upon their Spirits, & Subjection thereunto, & thereby made Capable to come up to a Service in their respective Meetings;

170 Meetings for Discipline

1722 Friends are Desired to Encourage and bring them forward therein, whereby they may be helpful to the Ancients, & brought up in a Life of high leanness to walk and act to the Praise of Gods holy Name & standing in their Lot will supply the place of the Elders in such Meetings, through the same spirit, when they are Gone. 1724

1724 Advised That Friends in Meetings of business watch over their own Spirits, that no indecent warmth get in, whereby the Understanding may be hurried & hindered from a regular Judgment on the Affairs before the Meeting.

1726 The former Advice in 1722, to avoid all Occasions of Discord, repeated.

We earnestly recommend to you whatever your places & Stations in the Church may be, that in the most weighty & serious manner, you often call to remembrance, in all humility of mind, what it was that brought us to be a People, & what is and will be that which will preserve us, such, that the foundation on which a true Christian is built is the spirit of Christ. Let this therefore direct you in all things, both respecting your private conversation & whatever you do for God in his Church. This is the only true means to preserve you holy and blameless in the one, as well as serviceable & useful in the other, in this every one will have a single regard to the service that comes before him in Monthly & Quarterly Meetings without partiality or respect of Persons:— Hear the Causes between your Brethren, & Judge Righteously between every man & his Brother, & the Stranger that is with him. Ye shall not respect Persons in Judgment, but you shall hear the small as well as the great, you shall not be afraid of the face of man for the Judgment is Gods, Deut. 1. 16. 17— And in the Management of such affairs they will find their own Spirits rightly

Meetings for Discipline 171

1726 Seasoned and prepared for every work & service to which they may be called, and all disorderly proceedings arising from the heat of our own Spirits will thereby be shut out, & thus the Church will be preserved on her Ancient solid & permanent Foundation, to the Glory of God, & her own Quiet and Comfort.

1727 Ordered to acquaint the Quarterly Meetings, That tis the Mind of this Meeting, that all Minutes and Epistles from this Meeting be Entered & kept by them in a fair Book, that all Friends of their Counties or Meetings may have recourse to them as Occasion shall Require.

This Meeting Understanding it to have been the Ancient & Constant sense of Friends in the Exercise of the Discipline that is Established amongst us, That any Person Denied by a Monthly Meeting is adjudged as Disowned by Friends, & to stand and remain in that State till by his Repentance, or the Reversal of such Censure by a Superior Meeting he is Reconciled to Friends, or reinstated in Membership among them: with which this Meeting hath Unity, And therefore ratifies and Confirms the same.

See Morning Meeting of Ministers, p. 195

1730 And forasmuch as Divers failures in respect to Insolency have happened by Persons of other Stations in the Church, This Meeting declares it as their Judgment, that no such Persons shall appear in Publick as Ministers, or sit or act in any affair of our two weeks Monthly or Quarterly Meetings, till they have given such Meetings they belong to satisfaction:— And that Friends in their respective Meetings take Due care to Deal with all such Persons in a regular way agreeable to the Discipline of the Church,

already

1730 already established among Friends, by publickly Manifesting their Disunity with such Person or Persons agreeable to the nature & Circumstance of the Case. It is recommended to all Quarterly and Monthly Meetings to watch carefully over their Members, that so where any Root of Bitterness shall appear, that would bring forth Envy, Strife Emulation & hatred, and thereby our Unity in the Spirit be broken, they do use timely & earnest Endeavours to prevent & remove the same, whereby we may be preserved a People to the Glory of God, & in that perfect Love & Unity which will Demonstrate us to be the Disciples of Christ.

1731 Advised, that Friends every where in an Especial manner, take care to keep up the good Order & Discipline of Monthly & Quarterly Meetings in that Spirit of Love & Divine Wisdom in which they were at first Constituted, that therein every thing may be Managed to the Praise of God, & the preservation of his Church & People within the Bounds & Limits of his blessed Truth. This we are sensible has been a means under Divine Direction, to keep many hurtful things out of the Church, & therefore we are sincerely concerned that nothing may weaken the hands of Friends in this good Work, but that it may be carried on for the Support of our Christian Testimony in all its Branches.

1732 Advised that young Friends who are sober and well inclined, be Encouraged to attend the service of Monthly & Quarterly Meetings, & that all Friends in such Meetings wait to feel the Power of Truth, that their Minds being seasoned with the Virtue thereof, the wholesome Discipline of the Church may be maintained & continued from one Generation to another, for the help of such as are weak.

and

1732. And for the Dealing with all Persons offending, we Recommend, That Friends in their said Meetings be Careful to Labour in the Spirit of Love & Meekness, Regularly & Impartially for the help & reclaiming of all such; & if after such Labour of Love there appears no ground to hope for Repentance, & the Case be of a scandalous Reproachful Nature, that they proceed to Testify against such Practises, and those who are concerned therein.

That no Monthly Meeting disown or Testify against any of their Members, without first Dealing with such offenders, where such Offenders can be conveniently met with or spoke to.

Papers to the Yearly Meeting, to be signed. See Yearly Meeting, page, 416.

1733 This Meeting being under a weighty Concern & Exercise to observe that the many Wholesom Advices recommended from year to year, are in too many Places either neglected or not enough Practised particularly those against Tythes, Church Rates so-called, & Friends Maintenance; also keeping up to Justice in Dealing, Plainness of Habit & Speech and several other branches of our Christian Testimony. We therefore again recommend to Friends in their several Monthly Meetings to take special care to appoint proper Prudent & Judicious Friends to visit their Brethren in their Families, pursuant to former advice viz in the Epistles 1708 & 1729<sup>th</sup> herewith sent you. And that such Friends Labour faithfully in a Spirit of Love, & in the Meekness of Wisdom, to convince the Judgments of their respective Members, of the necessity of coming up with their Brethren in Practice agreeable to our Christian Principle that so the several

Branches of the Testimony of which Truth hath given Our Ancients & Us to bear may be maintain- ed unviolated. And We do herewith also send the Minute of this Meeting of 1675, 1703 & 1706, so far as they are relative thereto, & Desire you may record them in your Quarterly & Monthly Meet- ing Books, that you may have recourse thereto on all Occasions: And We also advise that the same be read frequently in our Meetings of Business that Friends may be fully informed of them.

Diligently to attend Meetings for Discipline

And Dear Friends, as the Promotion of Piety & Charity is the End and Intent of our Meet- ings for the Discipline of the Church, a weighty Con- cern Remains upon us, that Friends be careful Diligently to attend those Meetings, & when there is act in the Wisdom given them of God, with a real & living sense of truth upon their spirits, that so the Affairs of the Church may be carried on in brotherly Love, and in that sweet calm & Christian Disposition of mind which tends to the mutual Comfort & Edification One of another, & of the Church in General.

1734

younger Friends to be Encouraged

Whereas the Number of Friends attending the Service of Monthly & Quarterly Meetings for the Disci- pline of the Church is but small in some Places, We Desire that Elders would give all due Encouragement to such younger Friends as they observe to be religi- ous & sober in their Conversations to attend the ser- vice of those Meetings, that so being inured to the management of the Affairs of the Church in the Company of their Elders, they may be the better Qualified to succeed them therein, & to supply their places & Service when Removed.

younger Friends to be Encouraged

to attend Meetings for worship

And Dearly Beloved Friends & Brethren, We Desire you to Encourage such youth as are Re- gular and sober in their Conversation, to frequent our Monthly & Quarterly Meetings that they may see the care which is taken for the Maintenance of our Poor, & the Preservation of Our Christian Discipline, and thereby become more Useful in their respec- tive Meetings, & to the Church in General: And We tenderly intreat that you would both by word & Example excite them to a Diligent attendance of Our Meetings for worship, not only on the first Days, but also on the Other Days of the Week.

See appeals, page, 3

1737

And Dear Friends, that the Affairs of Our Society may continue to be managed in the Meek & peaceable Wisdom of Truth, Let the Elders of each Monthly mee- ting have an Eye upon the younger, & Consider their Conversations Qualifications & Growth in the Truth, and invite such as are sober & hopeful to the Meetings for Business & the Affairs of the Church, that they may Learn & Improve in the knowledge of the Discipline of the Church, and become Instrumental to the Ser- vice of God, His Truth & People.

1738

And as much as in you lies, take care that the Business of your Monthly Meetings be managed by Persons who are well Grounded in the Principles of Truth; and beware of committing the Manage- ment thereof to such as know not their own spirits Seasoned by the work of Truth in themselves;

But

176 Meetings for Discipline

1738 But where you Observe any young Persons of a Grave & solid Deportment, & Inclination to be helpful in the Church, Discourage them not, but Endeavour to bring them forward in the Service of Truth, according to their respective Abilities for so weighty a work.

1743 Agreed, That when a Quarterly Meeting have come to a Judgment respecting any Difference relative to any Monthly Meeting belonging to them, and notified the same in writing to such Monthly Meeting, the said Monthly Meeting ought to submit to the Judgment of the Quarterly Meeting, And if such Monthly Meeting <sup>moving</sup> Appeal shall not be satisfied therewith, then the Monthly Meeting may appeal to the Yearly Meeting against the Judgment & Determination of their Quarterly Meetings

And if a Monthly Meeting shall refuse to take the Advice & submit to the Judgment of the Quarterly Meeting, notwithstanding will not Appeal against the Determination of the said Meeting to the Yearly Meeting, in such case it is our Opinion the Quarterly Meeting shall be at Liberty, either to Dissolve such Monthly Meeting or bring the affair before the next or succeeding Yearly Meeting.

And in case a Quarterly Meeting shall Dissolve a Monthly Meeting, The Dissolved Monthly Meeting or any part thereof in the name

1743 of the said Meeting, shall be at Liberty to appeal to the next or succeeding Yearly Meeting against such Dissolution: But if the Dissolved Monthly Meeting or a part thereof in its behalf shall not appeal to the yearly Meeting, it is then our Opinion, that the Quarterly Meeting shall join the members of the said late Monthly Meeting to such other Monthly Meetings as they may think most convenient, & until such time, shall take care that no Inconveniency doth thereby ensue to the members of such Dissolved Meetings respecting any branch of our Discipline.

And if any of the Monthly Meetings to which the Quarterly Meeting shall join the whole or part of the late Monthly Meeting, do think themselves aggrieved, they shall be at Liberty to Appeal against the Quarterly Meeting to the Yearly Meeting; And until such Appeal is heard and Determined, the Friends added by the Quarterly Meeting to them shall be Deemed their Members.

And Dear Friends in the Love of Christ, We Earnestly Beseech & Exhort you to watch Diligently over the Flock of God, & to Deal in due time, and in a Spirit of Christian Love and Tenderness, with all such as walk Disorderly among you, in order to reclaim and restore them by Brotherly Reprimand & Counsel; And where after Patient waiting you find that your Christian Labour of Love hath not its Desired Effect, you neglect not to Testify against & Disown such persons, & thereby prevent the Reproach & Dishonour which may be brought upon our holy Profession, & that the End and Design of Friends in settling Wholesome Discipline among us, may be Answered: the want of this has, as we apprehend brought great Difficulties on some Meetings; For we think it both unseasonable and dishonourable,

to deal in due time with Disorderly Walkers

When

178 Meetings for Discipline

1743 When Persons Apply to Monthly Meetings on account of Marriage, or for relief in case of necessity to be subject to them when such Offenses, as the Meeting through Neglect of their own Duty, did long before suffer to pass Unreproved.

See Preachers, page, 258.

1744 On a Proposition for the Encouragement of Womens Meetings for Discipline, which this Meeting taking into Serious Consideration, think it our Duty to Recommend to the several Counties the following Minutes of former Yearly Meetings Relating thereto, Desiring Friends in Each Monthly Meeting Carefully to see the same put in Practice, Vizt 1675, 1695 & 1707. — (which see at Length in Pages, 163, & 167.)

1745 And Dear Friends We find it our Concern to Repeat the Exhortation, We gave last year, That Friends in all places would Encourage the Service of the Meetings of Faithful Women, and that the Quarterly Meetings would help & Assist such Women Friends in setting up Monthly Meetings wherein they may wait for Divine Wisdom to give proper advice to those of their own Sex.

And that Proceedings in Relation to marriage be laid before such Meetings of Women & the Clearness & Conversation of the Persons concerned Enquired into by them: which Method, We Apprehend, will render Our grave and Solid Women Helpmeats to the Brotherhood in the Discipline of the Church, & Conduce to the Edification of the Body.

And

School Masters or Mistresses

And Dear Friends, We Desire that your several Monthly Meetings where any School Masters or Mistresses of our Profession may reside, would not be wanting to Admonish them, as much as in them lies, to bring up the Children of Friends Committed to their care, in plainness of speech, behaviour and Apparel, agreeable to our Profession; And that such of them as have boarders in their Families, would frequently call them together, and accustom them to a Solemn Reading, of the holy Scriptures, & to prep and excite them to the Observation of the Christian precepts therein contained; and that they themselves Walk before their Schollars as Examples of that Plainness and Simplicity which they Recommend.

At our yearly Meeting held at Smithfield for New England 6<sup>th</sup> 1778

Dear friends it is the Advice and Judgment of this meeting that in Cases of friend Laying their Intentions of marriage & Receiving Wives, The monthly Meeting be selected unless particular circumstances should attend that may make it appear necessary to admit Orderly persons to be present during the transactions of that business

And in Cases of second Marriages it is our Judgment that it is advisable for friends not to make or admit proposals of marriage in less than twelve months after the Decase of former Husband or wife

N<sup>o</sup> 22<sup>n</sup> Concerning Meetings for Worship.

1673

1675  
Publick Meetings for Worship to be kept up as an open Testimony for the Lord

That as it hath been our care and Practice from the Beginning, that an open Testimony for the Lord should be born, & a publick Standard for Truth & Righteousness upheld in the Power and Spirit of God, by our open & known Meetings, against the Spirit of Persecution that in all Ages hath sought to lay wast Gods Heritage, & that only thro Faithfulness Constancy & Patience Victory hath been & is Obtained, so it is Our advice & Judgment, That all Friends gathered in the Name of Jesus keep up these Publick Testimonies in their respective places, and not decline forsake or Remove their Publick Assemblies because of times of Sufferings, as worldly fearful and Politick Professors have done, because of Informers & the like Persecutors, for such Practices are not consistent with the Nobility of Truth, & therefore not to be Owned in the Church of Christ. 1678

1678

to be Zealous of Diligent in assembling together in times of Joyal

And by how much the more it is a day of Joyal & an hour of Temptation, Forsake ye not the assembling of yourselves together, but by so much the more be Zealous & Diligent in keeping all your Meetings, both Publick meetings, and your Mens & Womens Meeting in the Lords Everlasting Power by which they were set up; & as you are found Diligent and Steadfast in the Work of the Lord, the God of Peace will suddenly tread down Satan under your feet, and plentifully reward into all your bosoms, your Patience and perseverance with the durable Blessings, Peace & Joy of that Kingdom, which was before the World began, and never shall have End.

1691 *Keep up week-day meetings* His tenderly Advised for the Lords sake & his Blessed Name and Truths sake, That Friends be Diligent in keeping their Week-day Meetings as duly as on first Days, in his Worship & Service.

1696 Agreed, that Friends be Reminded that Live Distant from Meetings, to keep Meetings in their Families to wait upon God, that their Children & families may come to be seasoned in their spirits by the Truth and the Lords Power, and that they may have his Blessing upon their Families.

1697 Advised, duly to keep up week-day meetings.

1706 See Meetings for Discipline, page, 166.

1715 Advised that all Friends be careful to attend Meetings for Worship and business, at the times & hours appointed as near as they possibly may, and not to Detain Meetings out of season.

1716 *not to oppose one another* Advised, to have a Godly care of Judging or Contradicting One another in Publick Meetings or shewing any marks <sup>signs</sup> of Division therein, among Ministers or Others: That being of a very Pernicious consequence, to bring blame or Contempt upon the Ministry; a great hurt to ~~be~~ to Our youth and Others.

## Meetings for Worship

1718 <sup>1718</sup> Advised, That all Friends be Exemplary in reasonable & Constant keeping to Week-day Meetings, as well as First Days, and such as have Children & Families in bringing them as much as may be with them, that they may be good Examples to the Flock therein, and not by their Indifferency & Neglegence be a Stumbling block in the way of Others.

1723 <sup>1723</sup> Advised That Friends keep their Children to a Constant Seasonable & Orderly frequenting as well of Week-days, as of First Day Meetings, Instructing them to have their minds stayed in the Divine Gift to wait upon the Lord therein, to receive a Portion with them of his Spiritual Favours, that they from the tendering virtue of the holy Spirit may be engaged in heart and mind to walk Worthy of so great Grace, & in an holy Zeal to Honour God, Submit to bear the Cross, Endure the shame and become Publick Witnesses for him amongst the sons of men.

See Preachers, page, 253, 254.

1724 <sup>1724</sup> Advised, That Friends, tho Meetings are sometimes held in silence, would not neglect their Attendance, at those Meetings; For the hungry soul will Labour for bread & the thirsty for the Water of Life, and the Diligent hand will make Rich in that Treasure that is of an Enduring Substance.

1725 <sup>1725</sup> In your Religious Meetings for the Worship of God, both on the First & Other Days of the Week be Diligent in Waiting on Him in his Spirit, whereby you may Renew your Strength, and Witness him your sufficient help,

For

188 Meetings for Worship

1725 for sure many of us have Cause thankfully to remember his early Visitations in the Assemblies of his People, where he broke in upon our hearts with his Power & Love, and did in the needful time Administer help Comfort & Counsel, whereby we have in the Renewings thereof been upheld in a Faithful Testimony, and in the Discharge of our Duty to him.

1729 We again Recommend the advice in the Year 1723.

1732 Advised that all Friends who are Masters and Heads of Families, be very Careful in attending & bringing their Children and servants to meetings, both on First Days & other days of the Week.

1733 And as the First Day of the week is set apart for the Publick Worship of Almighty God, 'Tis our Earnest Advice that Friends Exhort and Encourage their Children & Families to be Diligent in the attending for worship, and to behave themselves there with Seriousness and Gravity, as becomes the Professors of Christianity, & to be regardful of the good Counsel and Admonitions of those whose Mouths the Lord may be pleased to open in the Work of the Ministry. And that Parents would be Exemplary to their Children in Closely Attending Meetings, not only on the First Days but as much as in them lies on other Days of the Week also, in which respect We cannot but with Grief Observe, too many appear Remiss.

1734

Meetings for Worship 189

1734

And Dear Friends, We Desire that you would Excite & Stir up your Children to a Diligent attending the First Day & Week day Meetings, and be Exemplary your selves therein, not in a meer formal and customary Attendance but in a serious & Diligent waiting upon the Lord, for as formality in Worship Occasioned the Lord to Complain of his People in Days of Old, That they drew near to him with their Mouths & with their Lips did Honour him, but had removed their hearts far from him Isa: 29. 13. so we have Reason to fear that the same formality has been One Cause of that great Declension from the Purity & Spirituality of Gospel Worship which is too Apparent among many of the Professors of Christianity.

Caution against formality

And inasmuch as it hath Pleas'd the Lord to concern some amongst us, as Instruments in his hand, to travel to & fro for the Preaching and Spreading of the Gospel, We advise that where Meetings for Worship are Settled, when any such are concerned to visit you, you would give notice thereof to your sober & well Inclined Neighbours, that they may have an opportunity to hear the Testimony of Truth Declared: A means which the Lord hath been often Pleas'd to make Use of, for the gathering many out of the World unto himself, through the Power of the Words of Life Faithfully Preach'd. 1735

1735

As it hath Pleas'd the Lord in his great Mercy, & Goodness to favour the Faithful among his People, not only such Publick Assemblies as these, but also in their small retired Meeting in the Country every where, with the lifting up of the Sight of his Countenance upon them, by which they are greatly Encouraged to meet often together to think upon his Name,

and

190 Meetings for Worship

1735 and as he shall move any thereunto speak one unto another to their mutual Edification and Comfort. We take this Opportunity to renew our former Advices, that Friends in their several Counties and Places, be Diligent in attending Religious Meetings for the Worship of God, not only on First Days but on other days of the Week, and as near as may be at the time appointed, there being by accounts brought into this Meeting from some Places, a great neglect in this Respect, which we have Reason to believe is Owing to a being overcharged with the Cares of this Life, the Deceitfulness of Riches, & the Love of other things which choaks the good Seed, so that Love to Religion and the Worship of God Decays and grows Cold.

At a yearly Meeting held at Newport on Rhode Island Received the following Proposal from the Morning Meeting of Ministers and Elders, (viz) The following Proposal for the Stirring up the Neglect & Maintaining a good order and decency in our Society, being Considered in our Morning Meeting of Ministers & Elders, and apprehend there may be Service in putting it in Practice, do Refer it to your Consideration and Approbation if you think fit, Which Proposal is as followeth (viz) That when it shall Appear upon due Inspection made that any Member shall or do Neglect or omit the due attendance of their Meetings thro' Sloth, Indolence, Love of the world or Luke warmness in Religion, that each Monthly Meeting take Care that all such be timely Visited in Love, & acquainted with the mind and desire of friends in that case, & admonished to faithfulnes therein, And if notwithstanding the due Christian Labour and Ammonition, he, she, or they shall Continue in the Neglect or omission, if a Minister his or her publick Testimony be denied, And if an Elder he or she be Dismissed from that station. The above Proposal being Referred to a Committee they made Return which after being Read and duly Considered was Approved by said Meeting and is as followeth (viz) We being Appointed by the yearly Meeting now sitting to Consider of the proposal brought from the Morning Meeting of Ministers & Elders, having weightily Considered said Matter & it is our Judgment that the same be Established as a Rule in our Society.

It is the Unanimous Agreement of this Meeting, That it does not belong to the Morning Meeting, or any other Meeting of Ministers, to Disown any Minister or other Person, but that the Sole Right of so doing belongs to Monthly, Quarterly, Half yearly, or yearly Meetings. See further, page, 597.

1727

A Proposition from the Friends of Wiltshire, relating to the Extending a Care in Friends to young Ministers, &c being read, this Meeting Desires all Monthly Meetings to appoint Serious Discreet & Judicious Friends, who are not Ministers, tenderly to Encourage & help Young Ministers, and advise others, as they in the Wisdom of God see Occasion. And where there are Meetings of Ministering Friends, such Friends so Chosen be admitted as Members of such Meetings of Ministers, and act therein for the good Purposes aforesaid.

196 Morning Meeting of Ministers

1735 It is Our Unanimous Sense and Opinion, That the Morning Meeting of London, or any other Meeting of Ministers, have a Right as they see meet, in the Wisdom of Truth, to Advise Exhort & Rebuke any of their Members, or any Ministers who may travel in the Work of the Ministry, as Occasion may require without being accountable for the same to any Monthly Meeting. — But if any member of the said Meetings or any other Ministers, should at any time be overtaken with a fault, & the same be under the Cognizance of the Morning, or other Meeting of Ministers, & the Monthly Meeting to which such Person belongs, shall also Deal with him or her for the same, that then on Notice from such Monthly Meeting that they have taken the Case under their Care & Serious Consideration, all Proceedings of the Morning or other Meeting of Ministers against such Minister or Elder shall be finally stop'd.

And We are of Opinion, that the Morning Meeting, or other Meeting of Ministers, have no Power to disown any Minister or Other Person in any Capacity whatsoever, the Sole Right of so doing belonging to Monthly, Quarterly, Half yearly or Yearly Meetings.

And it is our Sense & Opinion that such Discreet and Judicious Friends who are Deputed Elders by the respective Monthly Meetings of London, are to be allowed Members of the Morning Meeting tenderly to encourage and help Young Ministers, & advise Others as they shall see meet, in the Wisdom of God, for the good purposes specified in the Minute of the Yearly Meeting. 1727.

At our yearly Meeting held at Newport on Rhode Island This Meeting Received the following Request from the Morning Meeting of Ministers & Elders (viz) — We Desire that you would take into Consideration, whether it might not prove Advantageous to our Society to have at each General meeting a Select meeting both at the beginning and End of every such meeting, and a Committee appointed to have the oversight of such meetings and make Report to the Select meeting then in being, And also to the yearly meeting of ministers & Elders Annually at Newport.

The above Request being referred to a Committee they made Return, which after being read and duly considered was approved by said meeting, and is as followeth (viz) We being appointed by the yearly meeting now sitting to consider of the Request brought from the Morning Meeting of Ministers & Elders, having weigh'dly considered the Request, and it is our judgment that the Establishing such Select meetings under such Regulations as is proposed in said Request may be of Service in our Society.

## Mourning

## No 241 Concerning Mourning.

1757 <sup>1757</sup> According to the Primitive Innocency and Simplicity of Friends, It is the Advice of this Meeting, That No Friends Imitate the World in any Distinction of Habit or Otherwise, as marks or Tokens of mourning for the Dead.

1713 <sup>1758</sup> Advice against men and women imitating the World in making a shew of mourning for the Dead in their Apparel.

1724 <sup>1724</sup> A Caution against imitating the vain Custom of wearing or giving Mourning; and all Extravagant Expences about the Interment of the Dead.

1745 <sup>1746</sup> And Whereas a Custom hath of late prevailed with some among us, of wearing Mourning at the Funerals of their Relations, contrary to the Ancient Practice and Repeated Advice of Friends; It is Desired that friends every where would Discourage such a Custom. And such Publick Friends whose Company may be Desired at Funerals, are Requested to signify to the Persons Concerned the Uneasiness & Difficulty they are put under by reason of such appearances, which by their Presence they may be supposed to Countenance.

N<sup>o</sup> 25<sup>th</sup> Concerning Importing Negroes.

1727 <sup>1727</sup> It is the Sense of this Meeting, That the Importation of Negroes from their Native Country and Acquisitions, by Friends, is not a Commendable nor allowable Practice; and that Practice is Condemned by this Meeting.

1760 <sup>1760</sup> At the yearly Meeting held in Newport on Rhode Island it was Agreed & Concluded that the following Paragraph from the yearly Meeting Epistle from London A.D. 1758 should be here Inserted.

We fervently warn all in Profession with us, that they be careful to avoid being any way Concerned, in reaping the Unrighteous profits arising from that Iniquitous Practice of Dealing in Negroes & other Slaves whereby in the Original Purchase one man selleth another as he doth the beast that Perishes, without any better pretention to a property in him than of Superior Force in Direct violation of the Gospel Rule, which teacheth every one to do as they would be done by, & to do good unto all, being the Reverse of that Cruel Disposition, which furnishes Encouragement to those poor Ignorant People to perpetuate their Savage Wars, in order to supply the Demands of this most Unnatural Traffick, whereby great Numbers of Mankind free by Nature, are subjected to inextricable Bondage, & which hath been Observed to fill their Possessors with Raughtiness & Tyranny, Luxury & Barbarity, Corrupting the Minds, & Debasing the Morals of their Children, to the unspeakable prejudice of Religion & Virtue & the Exclusion of that holy Spirit of Universal Love Meekness & Charity, which is the unchangable Nature & the glory of true Christianity. We therefore can do no less, than with the greatest Earnestness Impress it upon friends every where, that they Endeavour to keep their hands clear of this Unrighteous Gain of Oppression.

## Negroes

In 1769 It is Recommended that friends who have  
Slaves in Possession to treat them with tenderness,  
impress Gods fear on their minds promote their  
attending places of Religious Worship and give  
those that are young at least so much learning  
they may be capable of Reading

faithfully Maintained against the Burthen and  
Imposition of Oaths.

## Orphans

1706

1706

Recommended, That Friends who leave Children, especially those who have Estates for them, do in their Wills appoint Faithful Friends to be Guardians to them till they come to the age of Twenty one years; And that Monthly Meetings take Care such Guardians do Discharge their trust with Justice & Uprightness, as they will answer it at the great Day, & that Orphans be Admonished to be Subject to the Wills of their Deceased Parents, as the said Meetings shall see Cause.

N<sup>o</sup> 28. Concerning Applying to Parliament

1695  
 Recommended to the Several Quarterly Meet-  
 ings to take care that timely Application be made  
 in their respective Counties, by sober Discreet Friends  
 to Members of Parliament before their coming up to  
 Sit, giving them right Information, and intreating  
 them, that in their places, they would be pleased to  
 Use their Endeavors and Interest for the Ease of our  
 Suffering Friends when presented to them in Parliament  
 This Method having been found of Service in some  
 places, 'tis desired it may be Observed.

N<sup>o</sup> 29<sup>th</sup> Concerning Persecution.

1675

1675

It is our advise and Judgment, That all Friends Gathered in the Name of Jesus, keep up those Publick Testimonies of Meeting together in their Respective places, & not Decline forsake or Remove their Publick Assemblies because of sufferings as Worldly fearful and Politick Professors have done because of Informers, and the like Persecutors. For such like Practises are not Consistent with the nobility of The Truth, and therefore not to be owned in the Church of Christ. See Meetings for Worship, page, 185

Liberty

Advised, that all walk with much Circumspection fear & Humility before the Lord, under the sense of our present Outward Liberty, and the Temporal mercys that have for some years attended the Same; that our Love & Service for the Lord, & his holy Truth and Church may have the preference of our Worldly Business in our thoughts, lest we should incur the Lords Displeasure, For an Ungrateful Neglect of our Duty and thankfulness to Him: For it has been sometimes the Lords Method to deprive his people of the favours they abuse, though he is a God slow to anger, and of Long suffering towards his Children.

Plainness

1675

1675 See Conversation, page, 59.

1688 See Conversation, page, 59  
1691

1691 *In Language, Habit and Behaviour* Advised that Friends take care to keep to Truth and plainness in Language, Habit & Deportment & Behaviour, that the simplicity of Truth in these things may not wear out nor be lost in our Days nor in our Posterity's. To avoid Pride & Modesty in Apparel, & Extravagant Wiggs, & all other vain and Superfluous Fashions of the World.

1697

1697 *Dealing* It is the Advice of this Meeting that Friends every where keep to plainness both in speech Habit & Dealing, & not to saunch too far into the things of this World, by overcharging themselves with Trading & Debts beyond their Abilities to discharge, but keep out of the Spirit of this World in all things, that none may be Ensnared & defiled thereby.

1700 & 1701

1700 & 1701 *Education of Children* Advised that a Godly care be taken for the due Education of Friends Children in the Nurture & Admonition of the Lord, & in plain & Modest Apparel, & in Truth's Language. And that all Parents be good Examples to them accordingly.

1703

1703 *Apparel Furniture* This meeting being under a deep sense that Pride, the vain Customs & Fashions of the World prevail over some of our Profession particularly in Excess of Apparel, & Furniture,

Doth

Plainness

1703 Doth Earnestly Recommend, that all who make Profession of the Truth, take care to be Exemplary in what they wear & what they Use, so as to avoid the vain Customs of the World, & all Extravagancy in Colour & Fashion & keep themselves in respect thereof spotless and Blameless adorning their Profession in all Modesty & Sobriety. 1708

1708 Parents to be Exemplary Children, in keeping out of the vain Fashions Customs, & Pride of the World, by adorning themselves Modestly & in plainness according to the Simplicity of Truth received by us in the beginning.

1709 Let all be Examples to their Children in Wisdom Moderation plainness in Language and habit, & not Examples only but also to restrain them from any thing that might be to their hurt either inwardly or outwardly; neither providing for them Costly and Gaudy Attire unbecoming Godliness, nor letting them have money to gratify themselves therein.

Let the aged Remember & the youth know that when apparent signs of the Plague of Leprosie appeared on the walls in the Houses of Israel, twas the care of the Priests Under the Law to have the Houses Cleaned & the Lepers also: and surely Christ's Priesthood should not fall short of their care to Endeavour to stop & Remove the Manifest Tokens of the Leprosie of the great Sin of Pride, & all Superfluity of Naughtiness, & therefore let all Concerned be Earnestly stirred up to sincere Obedience to the Light of Christ Our great high Priest, that he may Cleanse the hearts & Houses of that growing plague which tends to the Ruin of Families & Posterities.

to restrain Children

Plainness

1712 Advised that none despise the day of small things nor turn aside from the plainness, Simplicity & Life of the Truth into the Worlds, Ways, Customs and Fashions of the World, which are vain, and will perish with the Using; God having Redeemed his People out of the same through his Righteous Judgments in their inward parts, knowing that whatsoever hath been Condemned & overturned thereby, is never to be Built up again by any that are Lovers of the Truth as it is in Jesus.

1715 Advised, that all Friends both male & Female, be careful that their adorning be that of a meek & quiet Spirit which in the sight of God is of great price; even as the holy Men & Women of Old Professing Godliness with goods Works were adorned. Oh that our young men & Women would follow their Examples! — But to our great grief we find too many of our young men instead of observing that Gospel Exhortation, to be sober Minded, have given way to lightness & Vanity, & the pernicious effects thereof have led them into Pride, so that some have cut off good heads of hair, & put on long Extravagant & gay Wigs, which they that are not of profession with us, see as a Mark of Declension from our Primitive Plainness.

And Likewise that our young Women would Cease from that Unseemly & immodest appearance of their high heads, & wearing their Gowns set up like the Proud Fashion-mongers of the World.

Danger of flying the Cross

Certainly both males & Females who take such undue Measures, Flee the Cross of Christ, & if they do not repent & return, they will thereby suffer great Loss: But in the bowels of Christian Compassion we warn & exhort all such to come into that subjection that the yoke of Christ may be their Delight, & their Souls may reap the comfortable fruits of bearing the same.

Caution  
against  
False  
Liberty

And Caution given against false Liberty and  
Sinful Ease in the Flesh which is too apt to grow  
among some Professing the same Truth with us, in  
this our Day, for want of due watchfulness, and  
Obedience to the Light of Christ, & keeping low &  
Humble before the Lord, by Reason whereof many  
Evils get in amongst us; viz: Pride of Apparel  
making of mixt Marriages with Persons of contrary  
Judgment; bowing & giving Flattering Titles to  
Men, the saying ye or you to a single Person, and  
calling the Days of the week & the Months by heathen  
Names, to the Declining of Truth's Testimony, & giving  
Occasion of stumbling to such as are seeking af-  
ter the knowledge of the same as it is in Jesus.

Testimony  
against  
undue  
Liberty

A Testimony against an Undue Liberty which  
too many under the Profession of Truth run into to  
the great Grief of Faithful Friends, by Reason where-  
of the way of Truth is evil spoken of, & our holy Pro-  
fession greatly Reproached, by many men among us  
putting on Extravagant Wigs & wearing their hats and  
Clothes after the vain fashions, unbecoming the gravi-  
ty of Religious People, & too many Women Decking them-  
selves with gaudy & costly Apparel Gold Chains, Sockets,  
Necklaces, & gold watches Exposed to open view, which  
shews more of Pride & Ostentation than for Use & Service,  
besides their vain Imitation of that Immodest Fashion  
of going with naked Necks & Breasts, & wearing hooped  
Petticoats, Inconsistent with that Modesty which should  
adorn their Sex, & did adorn the holy Women of old.

Speech

And in like vanity of Mind Divers amongst us  
run into great Extravagancies in the Furniture of  
their Houses, together with a great Declension in  
some of both sexes from that Plainness & Simplicity  
of Speech so constantly used in holy Scripture

and Recommended & practised by our Ancient Friends  
as well as by the Faithful in this Day.

Now this Meeting having been Under a Deep sense  
of the Love of Christ, Doth earnestly Recommend the lay-  
ing aside of those things before mentioned, & whatse-  
ever else is a hurt to themselves, & brings a Reproach  
Upon us, For certainly it does not become the gravity  
of our Profession, or any under it to run into every  
new vain & fantastick Mode or Fashion, but to keep to  
that which is Modest, decent plain & Useful, and  
therefore Friends every where are Desired to stand  
witnesses against these & all Other things that tend  
to lay waste our Ancient Testimony.

And that Parents in the tender years of their  
Children would not adorn them with gaudy appa-  
rel which Practice cannot come from the Spirit that  
leads out of the vain customs of the World, but must  
proceed from Pride in the Parents: & Children being led  
into such Vanities & Fineries come Gradually to be involv-  
ed with them, which is apt to Encrease with their years to  
that Degree, until it may be found very Difficult to  
Reclaim them. 1732

the power  
of the Cross

And it is evident that the simplicity & Distin-  
guishing Plainness of our holy Profession is too much  
lost amongst us, respecting Language, Apparel & be-  
haviour. We therefore earnestly Exhort all to keep un-  
der the Power of the Cross of Christ, which will Crucify  
to the World & the Vanities of it, & bring up in a true  
Life of self Denial agreeable to the Gospel & Example  
of our Elders. 1735

And Forasmuch as a true Christian Practice &  
every Branch of it, is the Fruit & Effect of the in-  
ward Sanctification of the heart, by the Spirit of  
Christ, for which we are frequently to wait,

## Plainness

1735 on him in all humility & lowliness of mind; We tenderly advise that every thing tending to obstruct or divert the minds either of Children or those of more advanced years from this good Exercise, may be carefully avoided & taken out of the Way, & it being evident that the Glory & Vanity of the World, & the Pleasures & Diversions of it, are of this nature & tendency, We therefore advise, that all Parents & Masters in the first place be good Examples to their Children & Families, in an humble & Circumspect Walking, & with all plainness of habit & speech, which is agreeable to the Cross of Christ the Examples of our Ancients Friends, & the frequent Advices of this Meeting; & also that they be very careful not to Indulge their Children in the Use & Practise of things Contrary therunto; For we are sensible that by such habits, of how little Moment soever some may think them the tender minds of Children while very young, get up & Drawn aside from the Simplicity of Truth & Foundation is early laid for those Undesired Liberties so Justly Complained of; For a Love & Delight in those things imprudently Indulged at first, grows up with them & becomes strengthened more & more into Confirmed habits, & thus some have become Enemies to the Cross of Christ & forsaken & opposed the way of Truth, which possibly might have been prevented by Parents doing their Duty in being good Examples, & not Cherishing Seeds of Vanity & folly in their Children; but on the contrary Prudently Discouraging every Appearance of evil in them; which Necessary Duty, We Earnestly Recommend to their serious Consideration & Practise. 1736

## Plainness

1739 It is also <sup>our</sup> Concern to Exhort all Friends, both men and women, to watch against the growing Sin of Pride, and to beware of adorning themselves in a manner disagreeable to the Plainness & Simplicity of the Truth we make Profession of, Oh! that they would Duly Consider that severe Reproof which the Lord by the Mouth of his Prophet pronounced against the haughty Daughters of Zion Isa: 3 when He Describes even the particularities of their Dressings & Ornaments so Displeasing to the Lord, & drawing down his Judgments upon them, if those things in that time were so offensive in the Eyes of the Lord, how much more are they so now in a People Professing the Plainness & Simplicity which the Gospel of Christ recommends! — I will saith the Apostle Paul that Women Adorn themselves in modest apparel with Shamefacedness & Sobriety, not with Brocided hair or Pearls or Gold or costly array, but which becometh Women Professing Godliness with good Works, 1 Tim: 2, 9, 10. — Where he plainly sheweth that such Adornings are Contrary to the Profession of Godliness. — The Apostle Peter also is very <sup>full</sup> in his Exhortations on this subject, Whose Adorning saith he, Let it not be that outward Adorning of plaiting the hair & of wearing of Gold, & of putting on of Apparel, but let it be the hidden man of the heart, in that which is not Corruptible, even the Ornament of a meek & Quiet Spirit which is in the Sight of God of great price; for after this manner in the Old time the holy Women also who Trusted in God Adorned themselves, 1 Pet: 3, 4, 5. plainly intimating that those who of Old were holy & Trusted in God, placed not their Delight in such Ornaments. — Oh! that ye would weigh and Consider these things; Let your Moderation be known unto all men, and grieve not the holy Spirit of God but be ye followers of him as Dear Children, walking Circumspectly not as fools, but as wise redeeming the time because the days are evil.

1743

And Whereas we have with Deep Concern Observed by Accounts from Divers places, that there is a great Declension from that Simplicity, in speech Behaviour & Apparel which our Worthy Ancestors were led into, and as we find by Experience, that the same spirit of Truth which led our Ancients to lay aside every thing unbecoming, the followers of Christ will still lead in the same Path all who submit to it's Guidance, We earnestly Entreat Friends every where to watch over themselves in these respects & that Parents & Masters of Families would Labour to convince those under their Care, how inconsistent the gratifying a vain & worldly spirit is with a Christian Life; & the plainness & purity of the Gospel: the Examples of Our Blessed Saviour & his followers, & of virtuous and holy Men in all Ages, Ought to make a due Impression on every Considerate Mind, & Especially on such as have had the Advantage of an Education in Plainness agreeable to such Example.

Let not any such as degenerate in these respects Excuse their own weakness under a pretence of the Misconduct of some who have appeared outwardly plain: an Objection of very little weight, for did they rightly Consider they would clearly see, that the very reason why Deceivers sometimes put on plain Apparel is, because true Men have been accustomed to wear it.

We also tenderly advise that Friends Especially those who should be Exemplary to others under their care, take heed that they Exercise plainness of speech without respect to persons in all their converse among Men; & not Calk their Testimony by a cowardly Compliance, varying their Language according to their Company: A Practice of very ill Example to Our Observing Youth;

and

1743

And Rendering those who Use it contemptible & Looked upon as a kind of Hypocrites even by those with whom they so Comply, such a mean spirited Practice seems to be Cautioned against by the Apostle where he advises, 1 Tim: 3, 8. — That the Deacons be grave, not Double Tongued; — A Caution Plainly Importing that Double Tonguedness is Inconsistent with the Gravity of the Gospel.
